# Get to Know Your Benefits

**Because we offer many plans, it's a good idea to know what your own plan covers.**

These details are in your benefit plan and your Schedule of Benefits. If you still have questions about coverage, please call Customer Service at 1-800-392-4089 or email us at [OGBhelp@bcbsla.com](mailto:OGBhelp@bcbsla.com).

### Keep These Items Handy

- 1 Member ID Card** – This personalized card has your (or your family's, if it applies) unique contract number on it. Please carry it with you. Your doctor or the hospital will want to see it before they serve you. Your ID card will be mailed to you apart from your benefit plan.
- 2 Benefit Plan** – This document spells out your benefits and coverage. It includes what is covered and what is not, and any dollar limits that may apply.
- 3 Schedule of Benefits** – This is a specific list of services and supplies and what you can expect to pay for them, like any copayments, deductibles and coinsurance you may have.

### Things to Know for Any Plan

- **Using network healthcare providers is always best.** To avoid unexpected costs, use a network provider. If you're not sure who's in your network, check our directory at [www.bcbsla.com/OGB](http://www.bcbsla.com/OGB) (choose your member type and then Find a Doctor) or call Customer Service at 1-800-392-4089.
- **Check if you need approval or authorization.** Some services require authorization from us before you receive them. Your benefit plan or Schedule of Benefits has a list of what these services are for your own plan. Note that an authorization is not a guarantee of payment.
- **Know what's covered.** Some plans have exclusions or limitations for services that are not covered. See your benefit plan for more information.

# 3

## Know Who Is in Your Network

**Use a network provider to get the most out of your benefits.**

Your plan's network doctors, hospitals and other healthcare professionals have agreed to give you the care you need at the best price.

To find which **doctors, hospitals, hospital-based doctors, urgent care centers** and **more** are in your network, just go to [www.bcbsla.com/OGB](http://www.bcbsla.com/OGB), choose your plan type and then **Find a Doctor**.

### Use the Online Directory to:

- Compare doctors. See which hospitals they use, other languages they may speak and any certifications they have. You can read any patient reviews submitted and see if your doctor participates in our Quality Blue program.
- Compare hospitals. See awards and patient survey results.
- See on a map where your doctor's office is located.
- Find out if a network hospital's anesthesiologists, ER doctors, neonatologists, pathologists, radiologists or other hospital-based providers are also in your network.
- Find a doctor while you are traveling.
- Find labs that are in your plan's network.

# Know How to Get Care in Your Network

**Network doctors, hospitals and other healthcare providers have agreed to give you the care you need at the best price.**

To find which doctors, hospitals, hospital-based doctors, urgent care centers and more are in your network, just go to [www.bcbsla.com/OGB](http://www.bcbsla.com/OGB), choose your plan type and then **Find a Doctor**.

## Network

Here's what you can expect when you see a doctor or go to a hospital that is in your network:

- You get the highest level of benefits your health plan has to offer.
- You save money, because the provider and your health plan have agreed on a discounted rate.
- You won't be billed for the difference between what we pay (together with your cost-sharing amounts) and what the provider charges for covered services.
- You will be responsible for your coinsurance, copayments and deductible that apply with your plan. These are your cost-sharing amounts.

## Out-of-Network

Here's what you can expect if you see a doctor or go to a hospital that is **not** in your network:

- You could pay a higher copayment, deductible and coinsurance.
- In addition to your cost-sharing amounts, the doctor or hospital could bill you for the difference between what we pay and what they charge.
- You could get a penalty or reduction in benefits, depending on your plan.

## Hospital-based Doctors

Hospital-based providers can include **anesthesiologists, emergency room doctors, neonatologists, pathologists, radiologists** and **other doctors**. Even if your hospital is in your plan's network, some of your doctors **may not be**. If these doctors are not in your network, they can bill you for the difference between what they charge and what your plan pays for their services. This means you could pay more.

If you are planning a hospital stay, check out the list of hospital-based doctors at [www.bcbsla.com](http://www.bcbsla.com). Choose **Find a Doctor**. Under **Hospital Based Physicians**, click **ER/OR Information** to learn more about this situation and see lists of in- and out-of-network physicians based in network hospitals.

## Emergency Situations

In the case of a true emergency, seek help at the nearest healthcare facility regardless of network. See the section #4 of this booklet for what an "emergency medical condition" means.

# 4

## Get Care in the Best Setting

### General and Specialist Care

If you need care, call your doctor and plan an office visit.

### Blue Care

You can also try BlueCare, which lets you reach a doctor online at any time of day or night. Learn more at [www.bluecarela.com](http://www.bluecarela.com).

### Urgent Care

If you can't reach your doctor, urgent care or after-hours clinics are great alternatives to the emergency room when you do not have a true emergency.

### Emergencies

Call 911 or go to the nearest emergency room.

An emergency medical condition, as defined by state law, is a medical condition of recent onset and severity, including severe pain, that would lead a prudent layperson, acting reasonably and possessing an average knowledge of health and medicine, to believe that the absence of immediate medical attention could reasonably be expected to result in: 1) Placing the health of the individual, or with respect to a pregnant woman the health of the woman or her unborn child, in serious jeopardy; 2) Serious impairment to bodily function; 3) Serious dysfunction of any bodily organ or part.

---

### Lab Work

If your doctor doesn't do lab tests in-house, ask the staff to send you *or your samples* to a network lab or one of our statewide, full-service labs.

### Imaging Tests

If your doctors don't or can't perform tests like CT or MRI scans in their offices, ask them to send you to a network imaging clinic.

---

**Don't forget! You will need your member ID card for all healthcare services.**

# 5

## Your Member ID Card

Your ID card includes the following:

- Your member number
- Your physician and specialist copayment amounts or deductible/coinsurance
- Customer Service and authorization telephone numbers
- Prescription drug information

Please remember to carry your ID card with you at all times for instant recognition from your providers.

If you lose your ID card, please call our Customer Service Department at **1-800-392-4089** for a new ID card or email us at [OGBhelp@bcbsla.com](mailto:OGBhelp@bcbsla.com).

## Understand Your Explanation of Benefits

Your Explanation of Benefits (EOB) quickly, easily, and clearly describes benefits, costs, discounts and more. An EOB form is a snapshot of claims and cost for care. It shows what we paid for care and what you may expect to pay out of pocket.

Your EOB has important information. Claims codes are explained in clearer language than in years' past. Your deductible amount, if applicable, and other amounts that change during the year are clearly shown.

The image shows a screenshot of a Blue Cross Explanation of Benefits (EOB) form. The form is titled "Hello, Kazeem! This is not a bill. Here's your explanation of benefits from Sept. 15, 2017 - Sept. 30, 2017." It features a summary of charges and payments, and a section for "Blue News" with important information for the member.

**Callouts:**

- How to reach Blue Cross if you have questions.** Points to the "CUSTOMER SERVICE" section.
- Your member ID number and other key information.** Points to the "ACCOUNT INFORMATION" section.
- Date range this EOB covers.** Points to the date range "Sept. 15, 2017 - Sept. 30, 2017".
- Your financial responsibility.** Points to the "Amount You May Owe" section.
- Important news from Blue Cross.** Points to the "Blue News" section.

## CARE MANAGEMENT

Requests for Authorization of Inpatient Admissions and for Concurrent Review of an Admission in progress, or other Covered Services and supplies must be made to Blue Cross and Blue Shield of Louisiana by calling 1-800-392-4089.

If a Blue Cross and Blue Shield of Louisiana Network Provider fails to obtain a required Authorization, no Benefits are payable. The Network Provider is responsible for all charges not covered.

If a Network Provider in another Blue Cross and Blue Shield plan fails to obtain a required Authorization, the Claims Administrator will reduce Allowable Charges by the penalty amount stipulated in the Provider's contract with the other Blue Cross and Blue Shield plan. This penalty applies to all covered Inpatient charges. The Network Provider of the other Blue Cross and Blue Shield plan is responsible for all charges not covered. The Plan Participant remains responsible for his applicable Copayment, Deductible and Coinsurance percentage.

### **Population Health – In Health: Blue Health**

The Population Health program targets populations with one or more chronic health conditions. The current chronic health conditions identified by OGB are diabetes, coronary artery disease, heart failure, asthma and chronic obstructive pulmonary disease (COPD). OGB may supplement or amend the list of chronic health conditions covered under this program at any time. (The In Health: Blue Health Services program is not available to Plan Participants with Medicare primary.)

Through the In Health: Blue Health Services program, OGB offers an incentive to Plan Participants on Prescription Drugs used to treat the chronic conditions listed above.

- a. OGB Plan Participants participating in the program qualify for \$0 Copayment for certain Generic Prescription Drugs approved by the U. S. Food and Drug Administration (FDA) for any of the listed chronic health conditions.
- b. OGB Plan Participants participating in the program qualify for \$20.00 Copayment (31 day supply), \$40.00 Copayment (62 day supply) or \$50.00 Copayment (93 day supply) for certain Preferred Brand-Name Prescription Drugs for which an FDA-approved Generic version is not available.
- c. OGB Plan Participants participating in the program qualify for \$40.00 Copayment (31 day supply), \$80.00 Copayment (62 day supply) or \$100.00 Copayment (93 day supply) for certain Non-Preferred Brand-Name Prescription Drug. Non-Preferred drugs typically have lower cost alternatives available in the same drug class.

If an OGB Plan Participant chooses a Brand-Name Drug for which an FDA-approved Generic version is available, the OGB Plan Participant pays the difference between the Brand-Name and Generic cost, plus a \$40.00 Copayment for a 31 day supply.

The In Health: Blue Health Services prescription incentive does not apply to any Prescription Drugs not used to treat one of the listed health conditions with which you have been diagnosed. Please refer to the Care Management article, Population Health – In Health: Blue Health section of the Benefit Plan for complete information on how to qualify for this incentive.

### **MedImpact Formulary: 3-Tier Plan Design**

OGB's Pharmacy Benefit Manager for the 2021 Plan year is MedImpact. OGB will use the MedImpact Formulary to help Plan Participants select the most appropriate, lowest-cost options. The Formulary is reviewed on at least a quarterly basis to re-assess drug tiers based on the current prescription drug market. Plan Participants will continue to pay a portion of the cost of their prescriptions in the form of a co-pay or co-insurance. The amount Plan Participants pay toward their prescription depends on whether they receive a generic, preferred brand or non-preferred brand name drug. You must use drugs on the Formulary to qualify for pharmacy benefits under the Plan.

## HEALTH BENEFIT PLAN

### NOTICES

Healthcare services may be provided to You at a Network healthcare facility by facility-based physicians who are not in Your health plan's Network. You may be responsible for payment of all or part of the fees for those Non-Network services, in addition to applicable amounts due for Copayments, Coinsurance, Deductibles and non-Covered Services.

Specific information about Network and Non-Network facility-based physicians can be found at [www.bcbsla.com/ogb](http://www.bcbsla.com/ogb) or by calling the customer service telephone number on the back of Your identification (ID) card.

The Claims Administrator bases the payment of Benefits for the Plan Participant's Covered Services on an amount known as the Allowable Charge. The Allowable Charge depends on the specific Provider from whom You receive Covered Services.

Breast reconstruction is covered for a Plan Participant who due to breast cancer obtains a partial mastectomy or a full unilateral or bilateral mastectomy as selected by the Plan Participant in consultation with the attending Physician(s). The services under this Benefit are subject to any Copayment Amount, Deductible Amount and Coinsurance percentage.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of long-term survivorship care. Plan Participants eligible for screenings are those who:

- A. were previously diagnosed with breast cancer;
- B. completed treatment for breast cancer;
- C. underwent bilateral mastectomy; and
- D. were subsequently determined to be clear of cancer.

These Covered screenings include but are not limited to magnetic resonance imaging, ultrasound, or some combination of tests, as determined in consultation with the attending Physician and the Plan Participant. Annual preventive cancer screenings under this Benefit will be subject to any Copayment Amount, Deductible Amount and Coinsurance percentage.

Utilization Management decision-making is based only on appropriateness of care and service and existence of coverage. Claims Administrator does not specifically reward practitioners or other individuals for issuing denials of coverage. Financial incentives for Utilization Management decision makers do not encourage decisions that result in underutilization.

Important information regarding this Plan will be sent to the mailing address provided for a Plan Participant on their Employee Enrollment / Change Form. Plan Participants are responsible for keeping the Claims Administrator and the Group informed of any changes in their address of record.

As of the Original Effective Date of the Benefit Plan shown in the Schedule of Benefits, the Plan agrees to provide the Benefits specified herein for Plan Participants. A copy of this Benefit Plan provided to Plan Participants serves as the Plan Participant's certificate of coverage. This Benefit Plan replaces any others previously issued to the Plan Participant for this Plan.

Except for necessary technical terms, the Plan uses common words to describe the Benefits provided under this Plan. "We" "Us" and "Our" means Blue Cross and Blue Shield of Louisiana. Capitalized words are defined terms in Article II - "Definitions." A word used in the masculine gender applies also in the feminine gender, except where otherwise stated. THE GROUP IS THE PLAN ADMINISTRATOR OF THIS PLAN. BLUE CROSS AND BLUE SHIELD OF LOUISIANA PROVIDES ADMINISTRATIVE CLAIMS SERVICES ONLY AND DOES NOT ASSUME ANY FINANCIAL RISK OR OBLIGATION WITH RESPECT TO CLAIMS LIABILITY.

You should call the Claims Administrator's customer service number on the back of Your ID card if You have questions about Your coverage, or any limits to the coverage available to You. Many of the sections of this Benefit Plan are related to other sections of this Plan. You may not have all of the information You need by reading just one section. ### FACTS ABOUT THIS PLAN

The OGB Magnolia Local Plus Benefit Plan for the State of Louisiana Plan Participants is a comprehensive straight HMO Group health plan. It has Copayment, Deductible and Coinsurance Benefits.

This Plan generally pays Benefits only when services are obtained from a Provider who is in the Preferred Care Network. Some services require Authorization before services are rendered. Services that require prior Authorization are listed on the Schedule of Benefits. **If an Authorization is required, but is not obtained before services are rendered, Benefits will be denied.**

Plan Participants have an extensive network of Providers (Network) available to them -- the PPO Network. Plan Participants usually pay a Copayment to a Network Provider at the time of service. Plan Participants choose which Providers will render their care. This choice could determine the amount We pay and the amount the Plan Participant pays for Covered Services.

This is a direct access plan. Plan Participants may see Specialists in the PPO Network without contacting a Primary Care Physician or obtaining a referral from a Primary Care Physician.

Effective January 1, 2016, all Deductibles, Out-of-Pocket Amounts, Coinsurance, Copayments and annual limits (day and dollar) will start over and all Benefits in this Plan will apply on a calendar basis.

### THE CLAIMS ADMINISTRATOR'S PROVIDER NETWORK

Plan Participants have the right to use Providers of their choice. The Plan Participant's choice of Provider will impact the amount the Plan Participant pays for Covered Services.

The Claims Administrator's Provider Network is called the PREFERRED CARE (OR PCARE) NETWORK. It consists of a select Group of Physicians, Hospitals and other Allied Providers that have contracted with the Claims Administrator to participate in the OGB HMO Preferred Care Provider Network and render services to the Plan Participants. These Providers are called "Network Providers." Plan Participants may access care at the Network level of Benefits when they see contracted PPO Providers in other states, through the BlueCard® Program. Oral Surgery Benefits are also available when rendered by Providers in Blue Cross and Blue Shield of Louisiana's dental network.

In an Emergency, Plan Participants should seek care from the nearest facility, even if that facility is not in the Claims Administrator's Network. For non-emergency care, the Plan Participant should always verify that a Provider is a current Blue Cross and Blue Shield of Louisiana Network Provider before the service is rendered. Plan Participants may review a current paper Provider directory or search for a provider outside of the state of Louisiana under National Provider Directory in the Find Care section of [www.bcbsla.com/ogb](http://www.bcbsla.com/ogb) or on the free BCBSLA app for your iPhone or Android. Plan Participants may also contact the Claims Administrator's Customer Service Department at the number on his ID

card. A Provider's status may change. The Plan Participant should always verify the Network status of a Provider before obtaining services.

A Provider may be contracted with the Claims Administrator as a Network Provider when providing services at one location, and may be considered Non-Network when rendering services from another location. The Plan Participant should check his Provider directory to verify that the Provider is In-Network at the location where the Plan Participant is seeking care.

Plan Participants do not have the option to choose care from Providers that are not in the PPO Provider Network. No Benefits will be paid for care from Providers outside the PPO Network unless: (1) The Claims Administrator determines that services are not available from a PPO Provider within a seventy-five (75) mile radius of the Plan Participant's home and We issue written approval to the Plan Participant to obtain the services outside the Network prior to the services being rendered; or (2) the Plan Participant has an Emergency Medical Service and is unable to obtain the care from a Network Provider.

Additionally, Providers in Your Network may be contracted to perform certain Covered Services, but may not be contracted in Your Network to perform other Covered Services. When a Network Provider performs services that the Network Provider is not contracted with the Claims Administrator to perform (such as certain High-Tech Imaging services or radiology procedures), Claims for those services will be adjudicated at the Non-Network Benefit level. The Plan Participant should check his Provider directory to verify that the services are In-Network when performed by the Provider or at the Provider's location.

### **AUTHORIZATIONS**

**CERTAIN SERVICES LISTED ON THE SCHEDULE OF BENEFITS REQUIRE AUTHORIZATION BY THE CLAIMS ADMINISTRATOR. IF AN AUTHORIZATION IS NOT OBTAINED PRIOR TO SERVICES BEING RENDERED, NO BENEFITS WILL BE PAID AND THE CLAIM WILL BE DENIED.**

An Authorization is the Claims Administrator's determination that it is Medically Necessary for the Plan Participant to receive the requested medical services. When the Claims Administrator authorizes a service for Medical Necessity, the Claims Administrator is not making a determination about the Plan Participant's choice of Provider or the Benefits that will apply to a resulting Claim.

**PRIOR AUTHORIZATION IS NOT REQUIRED FOR AN EMERGENCY MEDICAL SERVICE, AS DEFINED BY THIS BENEFIT PLAN.**

Network Providers are required to obtain necessary Authorizations on behalf of the Plan Participant. When a Network Provider fails to obtain a required Authorization, the Plan penalizes the Network Provider, not the Plan Participant. The Plan Participant continues to be responsible only for the applicable Network Copayment, Deductible, and/or Coinsurance shown in the Schedule of Benefits. If a Plan Participant receives services outside of Louisiana, it is the Plan Participant's responsibility to obtain Prior Authorization from the Claims Administrator.

When the Claims Administrator issues an Authorization, but the Plan Participant receives the service from a Non-Network Provider, no Benefits are payable unless the Plan Participant obtained the Claims Administrator's written approval to obtain the services from the Non-Network Provider, **PRIOR TO THE SERVICES BEING RENDERED**. If the Plan Participant has received the Claims Administrator's written approval to use a Non-Network Provider, it is up to the Plan Participant to make sure that the approved Provider obtains any necessary Authorizations, or no Benefits will be paid.

No payment will be made for Organ, Tissue and Bone Marrow Transplant Benefits or evaluations unless the Claims Administrator Authorizes these services and the services are rendered by a Blue Distinction Center for Transplants or a transplant facility in a Blue Cross and Blue Shield of Louisiana PPO Provider Network, unless otherwise approved by the Claims Administrator and the Plan Administrator in writing. Evaluation for Tissue Transplant is not required. To locate an approved transplant facility, Plan Participants should contact the Claims Administrator's customer service department at the number listed on their ID card.

In some cases, Network Benefits may be paid to Non-Network Providers whose services are not available by a Network Provider. Prior Authorization is required. The Network Benefits will be based on the Network Allowable Charge. The Plan Participant can be balance-billed by the Provider.

## HOW THE PLAN DETERMINES WHAT IS PAID FOR COVERED SERVICES

The Plan bases payments of Benefits for a Plan Participant's Covered Services on an amount known as the "Allowable Charge." The Allowable Charge depends on the Provider from whom the Plan Participant receives Covered Services as described below, and may be different for Network and Non-Network Providers.

If the amount that is billed for Covered Services by the Plan Participant's Provider is less than the amount that the Claims Administrator has negotiated for the Covered Service, the billed amount is the Allowable Charge and the Plan's payment will be based on the billed amount.

### When a Plan Participant Uses Network Providers

Network Providers are Providers that have signed contracts with the Claims Administrator to participate in the PPO Network. These Providers have agreed to accept the lesser of billed charges or an amount the Claims Administrator negotiated as payment in full for Covered Services provided to Plan Participants. This amount is the Network Provider's Allowable Charge. If the Plan Participant uses a Network Provider, this Allowable Charge is used to determine the Plan's payment for the Plan Participant's Covered Services and the amount that the Plan Participant must pay for his Covered Services.

### When a Plan Participant Uses Non-Network Providers

EXCEPT AS DESCRIBED BELOW, IF A PLAN PARTICIPANT RECEIVES SERVICES OUTSIDE OF THE PPO PROVIDER NETWORK AND PRIOR WRITTEN APPROVAL AND/OR AUTHORIZATIONS ARE NOT OBTAINED (WHERE REQUIRED), **THE SERVICES WILL NOT BE COVERED**. IF WE HAVE ISSUED WRITTEN APPROVAL TO USE A NON-NETWORK PROVIDER, AND AUTHORIZATIONS ARE OBTAINED (WHERE REQUIRED), BENEFITS WILL BE PAID AS FOLLOWS:

Non-Network Providers are Providers who have not signed a contract with the Claims Administrator or any other Blue Cross and Blue Shield plan to participate in a Blue Cross and Blue Shield PPO Network. These Providers are not in the Claims Administrator's Networks. The Claims Administrator has no fee arrangements with them. The Claims Administrator will establish an Allowable Charge for Covered Services rendered by a Non-Network Provider. The Allowable Charge will be the lesser of the following:

- A. An amount We establish based on Our choice of Medicare's published fee schedule, what Medicare pays, or what Medicare allows for the service;
- B. an amount We establish as the Allowable Charge; or
- C. the Provider's billed charge. You will receive a lower level of Benefit because You did not go to a Preferred Provider.

Also, Network Providers waive the difference between their actual billed charge and their Allowable Charge, while Non-Network Providers will not.

### What the Claims Administrator pays when a Plan Participant receives Medically Necessary Emergency Medical Services from Non-Network Providers

Covered Emergency Services performed in the Emergency Department of a Hospital are paid In-Network.

## ASSIGNMENT OR ATTEMPTED ASSIGNMENT

A Plan Participant's rights and Benefits under this Plan are personal to the Plan Participant and may not be assigned in whole or in part by the Plan Participant. The Claims Administrator will recognize assignments of Benefits to Hospitals if both this Plan and the Provider are subject to La. R.S. 40:2010. If both this Plan and the Provider are not subject to La. R.S. 40:2010, the Claims Administrator will not recognize assignments or attempted assignments of Benefits. Nothing contained in the written description of health coverage shall be construed to make the Plan Administrator or the Claims Administrator liable to any third party to whom a Plan Participant may be liable for the cost of medical care, treatment, or services.

The Plan reserves the right to pay Network and Non-Network Providers directly instead of paying the Plan Participant.

## **PLAN PARTICIPANT INCENTIVES AND VALUE-ADDED SERVICES**

Sometimes the Claims Administrator offers Plan Participants coupons, discounts, and incentives to enroll in programs, such as pharmacy programs, disease management programs, and wellness programs and activities. The Claims Administrator may offer Plan Participants discounts or financial incentives to use certain Providers for selected Covered Services. We may also offer Plan Participants the opportunity to enroll in health and non-health related programs, as value-added services, to enhance the Plan Participant's experience with Us or his Providers. These incentives and value-added services are not Benefits and do not alter or affect Plan Participant Benefits. They may be offered by the Claims Administrator, affiliated companies, and selected vendors. Plan Participants are always free to reject the opportunities for incentives and value-added services. The Claims Administrator reserves the right to add or remove any and all coupons discounts, incentives, programs, and value-added services at any time without notice to Plan Participants.

## **HEALTH MANAGEMENT AND WELLNESS TOOLS AND RESOURCES**

The Claims Administrator offers Plan Participants a wide range of health management and wellness tools and resources. Plan Participants can use these tools to manage their personal accounts, see claims history, create health records and access a host of online wellness interactive tools. ### **D. Change of Classification**

#### 1. Adding or Deleting Dependents

When a Dependent is added to the Employee's/Retiree's coverage as a result of a HIPAA Special Enrollment Event or deleted from the Employee's/Retiree's coverage consistent with a change in the Dependent's status, application made by an active Employee shall be provided to the Employee's Human Resources liaison, and application made by a Retiree shall be provided to OGB. When a Dependent is added to or deleted from coverage during an OGB-designated enrollment period, application is required to be made as directed by OGB for the designated enrollment period.

#### 2. Change in Coverage

When the addition of a Dependent as a result of a HIPAA Special Enrollment Event results in a change in classification, the change in classification will be effective on the date of the HIPAA Special Enrollment Event.

#### 3. Notification of Change

It is the Employee's/Retiree's responsibility to make application for any change in classification of coverage.

### **E. Contributions**

The State of Louisiana may make a contribution toward the cost of the Plan, as determined by the Legislature.

### **F. Medical Child Support Orders**

A Dependent Child shall be enrolled for coverage under the Plan in accordance with the direction of a Qualified Medical Child Support Order (QMCSO) or a National Medical Support Notice (NMSN). Application must be made within thirty (30) days of the receipt of the QMCSO or NMSN. Coverage will be effective the first of the month following OGB's receipt of timely application and all required supporting documentation. An Employee who is not currently enrolled in an OGB Plan may enroll to effect coverage for his or her Dependent(s) who are the subject of the QMCSO.

A QMCSO is a state court order or judgment, including approval of a settlement agreement that:

1. Provides for support of a covered Plan Participant's Dependent Child;
2. Provides for healthcare coverage for that Dependent Child;
3. Is made under state domestic relations law (including a community property law);
4. Relates to Benefits under the Plan; and
5. Is "qualified" in that it meets the technical requirements of applicable state law.

QMCSO also means a state court order or judgment that enforces a state Medicaid law regarding medical child support required by Social Security Act §1908 (as added by Omnibus Budget Reconciliation Act of 1993).

An NMSN is a notice issued by an appropriate agency of a state or local government that is similar to a QMCSO that requires coverage under the Plan for the Dependent Child of a non-custodial parent who is (or will become) a Covered Person by a domestic relations order that provides for healthcare coverage.

### **G. Termination of Coverage**

Subject to continuation of coverage and COBRA rules, all benefits of a Plan Participant will terminate under this Plan on the earliest of the following dates:

1. The date the Plan terminates;
2. The date the Participant Employer terminates or withdraws from the Plan;
3. The date contribution is due if the Participant Employer fails to pay the required contribution
4. The date contribution is due if the Plan Participant fails to make any contribution which is required for the continuation of coverage;
5. The last day of the month of the Plan Participant's death;
6. The last day of the month in which the Plan Participant ceases to be eligible as a Plan Participant.

## **ARTICLE IV. BENEFITS**

ANY BENEFIT LISTED IN THIS PLAN, WHICH IS NOT MANDATED BY STATE OR FEDERAL LAW, MAY BE DELETED OR REVISED.

NO BENEFITS ARE AVAILABLE FOR ANY SERVICE THAT REQUIRES AN AUTHORIZATION OR FOR ORGAN, AND BONE MARROW TRANSPLANTS OR EVALUATIONS, IF AUTHORIZATION IS NOT RECEIVED PRIOR TO SERVICES BEING RENDERED.

All Eligible Expenses are determined in accordance with Plan Limitations and Exclusions.

### **A. Categories**

1. Network Benefits (In-Network): Benefits for Covered Services from a Network Provider (Providers contracted with the Claims Administrator in the PPO Network). When a Plan Participant receives care from a Network Provider, he will receive the highest level of Benefits on this Plan.
2. Non-Network Benefits (Out-of-Network): Benefits for Covered Services received from a Provider who is not contracted with the Claims Administrator in the PPO Network. When a Plan Participant receives care from a Non-Network Provider, the services are not covered on this Plan unless specified in the Schedule of Benefits.

## **B. Deductible Amount**

1. Subject to the Deductible Amount shown in the Schedule of Benefits and other terms and provisions of this Benefit Plan, the Claims Administrator will provide Benefits in accordance with the Coinsurance shown in the Schedule of Benefits toward Allowable Charges incurred for Covered Services by a Plan Participant during a Benefit Period. The following Deductibles may apply to Covered Services provided by this Benefit Plan.
  - a. Individual Deductible Amount: The dollar amount, as shown in the Schedule of Benefits, that an individual Plan Participant must pay within a Benefit Period before the Plan starts paying benefits.
  - b. Family Deductible Amount: The dollar amount, as shown in the Schedule of Benefits, that Plan Participants in a class of coverage with more than one (1) Plan Participant must pay within the Benefit Period before this Benefit Plan starts paying Benefits.
2. We will apply the Plan Participant's Eligible Expenses to the Deductible Amount in the order in which Claims are received and processed. It is possible that one Provider may collect the Deductible Amount from the Plan Participant, then when the Plan Participant receives Covered Services from another Provider, that Provider also collects the Plan Participant's Deductible Amount. This generally occurs when the Plan Participant's Claims have not been received and processed by the Claims Administrator. The Claims Administrator's records will only show the Deductible Amount applied for Claims that have been processed. Therefore, the Plan Participant may need to pay toward the Deductible Amount until his Claims are submitted and processed, showing that the Deductible Amount has been met. If the Plan Participant overpays his Deductible Amount, the Plan Participant is entitled to receive a refund from the Provider to whom the overpayment was made.
3. Under certain circumstances, if the Claims Administrator pays the Provider amounts that are the Plan Participant's responsibility, such as Deductibles, Copayments or Coinsurance, the Claims Administrator may collect such amounts directly from the Plan Participant. The Plan Participant agrees that the Claims Administrator has the right to collect such amounts from You.

## **C. Copayment Services**

If a Copayment is shown for a Covered Service, the Plan Participant must pay the applicable Copayment each time the Covered Service is rendered, until the Plan Participant meets his Out-of-Pocket Amount. The amount of the Copayment depends on the type of Network Provider rendering the service. Office visit Copayments, if applicable, will be at the Primary Care Physician or Specialist amount shown on the Schedule of Benefits.

The following services are covered at 100% of the Allowable Charge when obtained in the office and performed by a Network Physician or other Provider who is subject to an office visit Copayment, if no office visit is billed:

1. Surgical procedures performed in the Physician's office

## **D. Coinsurance Amount**

If a Coinsurance is shown on the Schedule of Benefits for a Covered Service, the Plan Participant must first pay any applicable Benefit Period Deductible Amount before the Coinsurance. After any Deductible Amounts shown in the Schedule of Benefits have been met, the Claims Administrator will provide payment based on the Coinsurance shown in the Schedule of Benefit toward the Allowable Charges for Covered Services. The Claims Administrator's actual payment to a Provider or payment to the Plan Participant satisfies the Plan Administrator's obligation to provide Benefits under this Plan. The Plan Participant may be balance billed by the Provider when services outside the Network are obtained.

## **E. Out-of-Pocket Amount**

1. After the Plan Participant has met the applicable Out-of-Pocket Amount shown in the Schedule of Benefits, the Claims Administrator will pay one hundred percent (100%) of the Allowable Charge for Covered Services for the remainder of the Benefit Period.

2. The following apply toward the Out-of-Pocket Amount of this Benefit Plan:
  - a. Deductibles;
  - b. Coinsurances;
  - c. Copayments.
3. The following do not apply toward the Out-of-Pocket Amount of this Benefit Plan:
  - a. any charges in excess of the Allowable Charge;
  - b. any penalties the Plan Participant or Provider must pay;
  - c. charges for non-covered services;
  - d. any amounts paid by the Plan Participant other than Deductibles, Coinsurance and Copayments.

#### **F. Accumulator Transfers**

## ARTICLE XV. CARE MANAGEMENT

### A. Authorization of Admissions, Services and Supplies, Selection of Provider, and Penalties

#### 1. Selection of Provider

A Plan Participant may generally obtain medical care from any Provider. However, Benefits will be paid only when care is received from a Network Provider and the services have been Authorized as Medically Necessary before the services are rendered.

**An Authorization of Medical Necessity is not an approval of the use of a Non-Network Provider. These are two separate functions.**

If a Plan Participant wants to receive services from a Non-Network Provider and obtain the highest level of Benefits, he must notify the Claims Administrator's Care Management Department before services are rendered. The Claims Administrator will approve the use of a Non-Network Provider only if the Claims Administrator determines that the services cannot be provided by a Network Provider within a seventy-five (75) mile radius of the Plan Participant's home.

The Claims Administrator must approve the use of the Non-Network Provider and issue any required Authorization before services are rendered. If the Claims Administrator does not approve use of the Non-Network Provider and issue an Authorization prior to services being rendered, no Benefits will be paid and the Plan Participant will be responsible for all charges.

#### 2. Penalties for Failure to Obtain Authorization – Admissions, Outpatient Services and Other Covered Services and Supplies

If Authorization is not requested prior to Admission or receiving other covered services and supplies requiring an Authorization, the Plan will have the right to determine if the Admission or other Covered Services and supplies were Medically Necessary. If the services were not Medically Necessary, the Admission or other covered services and supplies will not be covered and the Plan Participant must pay all charges incurred.

If the services were Medically Necessary, Benefits will be provided based on the Network status of the Provider rendering the services, as follows.

##### a. Admissions

- (1) If a Blue Cross and Blue Shield of Louisiana Network Provider fails to obtain a required Authorization, no Benefits are payable. The Network Provider is responsible for all charges not covered.
- (2) If a Network Provider in another Blue Cross and Blue Shield plan fails to obtain a required Authorization, the Claims Administrator will reduce Allowable Charges by the penalty amount stipulated in the Provider's contract with the other Blue Cross and Blue Shield plan. This penalty applies to all covered Inpatient charges.

The Network Provider of the other Blue Cross and Blue Shield plan is responsible for all charges not covered.

The Plan Participant remains responsible for any applicable Copayment or Deductible Amount and Coinsurance percentage shown in the Schedule of Benefits.

##### b. Outpatient Services, Other Covered Services and Supplies

- (1) If a Blue Cross Blue Shield of Louisiana Network Provider fails to obtain a required Authorization, no Benefits are payable. The Network Provider is responsible for all charges not covered.
- (2) If a Network Provider in another Blue Cross and Blue Shield plan fails to obtain a required Authorization, no Benefits are payable unless the procedure is deemed Medically Necessary. If the

procedure is deemed Medically Necessary, the Plan Participant remains responsible for his applicable Copayment, Deductible and Coinsurance percentage. If the procedure is not deemed Medically Necessary, the Plan Participant is responsible for all charges incurred.

### 3. Authorization of Admissions

#### a. Authorization of Elective Admissions

The Plan Participant is responsible for ensuring that his Provider notifies the Claims Administrator's Care Management Department of any Elective or non-emergency Inpatient Hospital Admission. The Claims Administrator must be notified (by calling the telephone number shown in the Schedule of Benefits or the Plan Participant's ID card) prior to the Admission regarding the nature and purpose of any Elective Admission or non-emergency Admission to a Hospital's Inpatient department. The most appropriate setting for the elective service and the appropriate length of stay will be determined by the Claims Administrator when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If a request for Authorization is denied by the Claims Administrator for an Admission to any facility, the Admission is not covered and the Plan Participant must pay all charges incurred during the Admission for which Authorization was denied.
- (2) If Authorization is not requested prior to an Admission, the Plan will have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the Network status of the Provider.
- (3) Additional amounts for which the Plan Participant is responsible because Authorization of an Elective or non-emergency Inpatient Hospital Admission was denied or not requested are considered non-covered and will not apply toward satisfying the Out-of-Pocket Amount.

#### b. Authorization of Emergency Admissions

It is the Plan Participant's responsibility to ensure that his Physician or Hospital, or a representative thereof, notifies the Claims Administrator's Care Management Department of all Emergency Inpatient Hospital Admissions to guarantee coverage. Within forty-eight (48) hours of the Emergency Admission, the Claims Administrator must be notified (by calling the telephone number shown in the Schedule of Benefits or the Plan Participant's ID card) regarding the nature and purpose of the Emergency Admission. The Claims Administrator may waive or extend this time limitation if it determines that the Plan Participant is unable to timely notify or direct his representative to notify the Claims Administrator of the Emergency Admission. In the event that the end of the notification period falls on a holiday or weekend the Claims

Administrator must be notified on its next working day. The appropriate length of stay for the Emergency Admission will be determined by the Claims Administrator when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If Authorization is denied by the Claims Administrator for an Admission to any facility, the Admission will not be covered and the Plan Participant must pay all charges incurred for Hospital services during the Admission for which Authorization was denied.
- (2) If Authorization is not requested, the Plan will have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the Network status of the Provider.
- (3) Additional amounts for which the Plan Participant is responsible because Authorization of an Emergency Admission was denied or not requested are considered non-covered and will not apply toward the Out-of-Pocket Amount.

#### c. Concurrent Review

When the Claims Administrator Authorizes a Plan Participant's Inpatient stay, the Claims Administrator will Authorize his stay in the Hospital for a certain number of days. If the Plan Participant has not been discharged on or before the last Authorized day, and the Plan Participant needs additional days to be

Authorized, the Plan Participant must make sure his Physician or Hospital contacts the Claims Administrator's Care Management Department to request Concurrent Review for Authorization of additional days. This request for continued hospitalization must be made on or before the Plan Participant's last Authorized day so the Claims Administrator can review and respond to the request that day. If the Claims Administrator Authorized the request, the Claims Administrator will again Authorize a certain number of days, repeating this procedure until the Plan Participant is either discharged or the Plan Participant's continued stay request is denied.

- (1) If the Claims Administrator does not receive a request for Authorization for continued stay on or before the Plan Participant's last Authorized day, no days are approved past the last Authorized day, and no additional Benefits will be paid unless the Claims Administrator receives and Authorizes another request. If at any point in this Concurrent Review procedure a request for Authorization for continued stay is received and the Claims Administrator determines that it is not Medically Necessary for the Plan Participant to receive continued hospitalization or hospitalization at the level of care requested, the Claims Administrator will notify the Plan Participant and his Providers, in writing, that the request is denied and no additional days are Authorized.
- (2) If the Claims Administrator denies a Concurrent Review request or level of care request for Hospital Services, the Claims Administrator will notify the Plan Participant, his Physician and the Hospital of the denial. If the Plan Participant elects to remain in the Hospital as an Inpatient thereafter, or at the same level of care, the Plan Participant will not be responsible for any charges unless he is notified of his financial responsibility by the Physician or Hospital in advance of incurring additional charges.
- (3) Charges for non-authorized days in the Hospital that the Plan Participant must pay are considered non-covered and will not apply toward satisfying the Out-of-Pocket Amount.

#### 4. Authorization of Outpatient Services, Including Other Covered Services and Supplies

Certain services, supplies, and Prescription Drugs require the Claims Administrator's Authorization before a Plan Participant receives the services, supplies, or Prescription Drugs. The Authorizations list is shown in the Plan Participant's Schedule of Benefits. The Plan Participant is responsible for making sure his Provider obtains all required Authorizations for him before he receives the services, supplies, or Prescription Drugs. The Claims Administrator may need the Plan Participant's Provider to submit medical or clinical information about the Plan Participant's condition. To obtain Authorizations, the Plan Participant's Provider should contact the Claims Administrator's Care Management Department at the telephone number shown on the Plan Participant's ID card.

- a. If a request for Authorization is denied by the Claims Administrator, the Outpatient services and supplies are not covered.
- b. If Authorization is not requested prior to receiving Outpatient services and supplies requiring Authorization, the Plan will have the right to determine if the services and supplies were Medically Necessary. If the services and supplies were Medically Necessary, Benefits will be provided based on the Network status of the Provider.
- c. Additional amounts for which the Plan Participant is responsible because Authorization of Outpatient services and supplies was denied or not requested are considered non-covered and will not apply toward satisfying the Out-of-Pocket Amount.

### **B. Population Health – In Health: Blue Health**

#### 1. Qualification

The Plan Participant may qualify for Population Health programs, at the Plan's discretion, based on various criteria, including a diagnosis of chronic illness, severity, and proposed or rendered treatment. The program seeks to identify candidates as early as possible. Self-management techniques are reinforced and a personal health coach is assigned. The Plan Participant, Physicians and caregivers may be included in all phases of the Population Health program. The Population health coach may also refer Plan Participants to community resources for further support and management.

## 2. Population Health Benefits

The Population Health program targets populations with one or more chronic health conditions. The current chronic health conditions identified by OGB are diabetes, coronary artery disease, heart failure, asthma and chronic obstructive pulmonary disease (COPD). OGB may supplement or amend the list of chronic health conditions covered under this program at any time.

Through the In Health: Blue Health Services program, the health coach works with Plan Participants to help them learn the self-care techniques they will need in order to manage their chronic disease, establish realistic goals for lifestyle modification, and improve adherence to their Physician prescribed treatment plan. OGB and Blue Cross and Blue Shield of Louisiana are dedicated to supporting the Physician's efforts in improving the health status and well-being of the Plan Participant. The In Health: Blue Health Services program is not available to Plan Participants with Medicare primary.

The In Health: Blue Health Services program offers an incentive to Plan Participants on certain Prescription Drugs used to treat the chronic conditions listed above. The prescription incentive does not apply to any Prescription Drug not used to treat one of these health conditions with which You have been diagnosed.

To remain eligible for the Plan program, Plan Participants must actively engage with a BCBSLA health coach on a specified time interval appropriate for management of their healthcare needs. - 2. The Claims Administrator's determination that a particular Plan Participant's medical condition renders the Plan Participant a suitable candidate for Alternative Benefits will not obligate the Claims Administrator to make the same or similar determination for any other Plan Participant; nor will the provision of Alternative Benefits to a Plan Participant entitle any other Plan Participant to Alternative Benefits or be construed as a waiver of the Claims Administrator's right, to administer and enforce this Plan in accordance with its express terms.
- 3. Unless expressly agreed upon by the Claims Administrator, all terms and conditions of this Benefit Plan, including, but not limited to, maximum Benefit limitations and all other limitations and exclusions, will be and shall remain in full force and effect if a Plan Participant is receiving Alternative Benefits. ## **ARTICLE XVII. COORDINATION OF BENEFITS**

### **A. Applicability**

1. This Coordination of Benefits ("COB") section applies to This Plan when a Member has healthcare coverage under more than one Plan. "Plan" and "This Plan" are defined below.
2. This Section is intended to describe whether the Benefits of This Plan are determined before or after those of another Plan when this Section applies.

The Benefits of This Plan:

- a. will not be reduced when, under the terms of this Section and any applicable laws, This Plan determines its Benefits before another Plan.
- b. may be reduced when under the terms of this Section or any applicable laws, another Plan determines its benefits first. That reduction is described in Subsection D of this Section, "When This Plan is Secondary."

## **B. Definitions (Applicable only to this Article of this Benefit Plan)**

1. "Allowable Expense" means any healthcare expense, including coinsurance or copayments, and without reduction for any applicable deductible, that is covered in full or in part by any of the plans covering the person.
  - a. If a Plan is advised by a covered person that all plans covering the person are high-deductible health plans and the person intends to contribute to a health savings account established in accordance with section 223 of the Internal Revenue Code of 1986, the primary high-deductible health plan's deductible is not an allowable expense, except for any healthcare expense incurred that may not be subject to the deductible as described in section 223(c)(2)(C) of the Internal Revenue Code of 1986.
  - b. An expense or a portion of an expense that is not covered by any of the Plans is not an allowable expense.
  - c. Any expense that a Provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.
  - d. The following are examples of expenses that are not Allowable Expenses.
    - (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
    - (2) If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charged by the Provider in excess of the highest reimbursement amount for a specified benefit is not an Allowable Expense.
    - (3) If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees is not an Allowable Expense.
    - (4) If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the primary Plan's payment arrangement shall be the allowable expense for all plans. However, if the Provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary Plan's payment arrangement and if the Provider's contract permits, that negotiated fee or payment shall be the Allowable Expense used by the secondary plan to determine its benefits.
2. "Birthday" refers only to month and day in a calendar year and does not include the year in which the individual is born.
3. "Claim" refers to a request that benefits of a plan be provided or paid. The benefits claimed may be in the form of:
  - a. services (including supplies);
  - b. payment for all or a portion of the expenses incurred;
  - c. a combination of subsection a and b of this Subparagraph; or
  - d. an indemnification.
4. "Claim Determination Period or Plan Year" refers to a period of not less than 12 consecutive months over which Allowable Expenses shall be compared with total benefits payable in the absence of COB to determine whether overinsurance exists and how much each Plan will pay or provide.

- a. The Claim Determination Period is usually a calendar year, but a Plan may use some other period of time that fits the coverage of the group or individual contract. A person is covered by a Plan during a portion of a Claim Determination Period if that person's coverage starts or ends during the Claim Determination Period.
  - b. As each claim is submitted, each Plan determines its liability and pays or provides benefits based upon Allowable Expenses incurred to that point in the Claim Determination Period. That determination is subject to adjustment as later Allowable Expenses are incurred in the same Claim Determination Period.
5. "Closed Panel Plan" refers to a Plan that provides health benefits to covered persons primarily in the form of services through a panel of Providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other Providers, except in cases of emergency or referral by a panel member.
  6. "Consolidated Omnibus Budget Reconciliation Act of 1985 or COBRA" refers to coverage provided under a right of continuation pursuant to federal law.
  7. "Coordination of Benefits or COB" refers to a provision establishing an order in which plans pay their claims, and permitting secondary plans to reduce their benefits so that the combined benefits of all plans do not exceed total Allowable Expenses.
  8. "Custodial Parent"
    - a. the parent awarded custody of a child by a court decree; or
    - b. in the absence of a court decree, the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
  9. "Group Insurance Contract" means an insurance policy or coverage that is sold in the group market and that are usually sponsored by a person's employer, union, employer organization or employee organization.
  10. "Group-Type Contract" means a contract that is not available to the general public and is obtained and maintained only because of membership in or a connection with a particular organization or group, including blanket coverage. Group-type Contract does not include an individually underwritten and issued guaranteed renewable policy even if the policy is purchased through payroll deduction at a premium savings to the insured since the insured would have the right to maintain or renew the policy independently of continued employment with the employer.
  11. "High-Deductible Health Plan" has the meaning given the term under section 223 of the *Internal Revenue Code* of 1986, as amended by the Medicare Prescription Drug, Improvement and Modernization Act of 2003.
  12. "Hospital Indemnity Benefits" are benefits not related to expenses incurred. Hospital indemnity benefits does not include reimbursement-type benefits even if they are designed or administered to give the insured the right to elect indemnity-type benefits at the time of claim.
  13. "Individual Insurance Contract" means an insurance policy or coverage that is sold to an individual and/or his/her family in the individual market.
  14. "Plan" means a form of coverage with which coordination is allowed. Separate parts of a plan for members of a group that are provided through alternative contracts that are intended to be part of a coordinated package of benefits are considered one plan and there is no COB among the separate parts of the plan. If a plan coordinates benefits, its Benefit Plan shall state the types of coverage that will be considered in applying the COB provision of that contract. Whether the Benefit Plan uses the term "plan" or some other term such as "program," the contractual definition may be no broader than the definition of "plan" in this Subsection.
    - a. Plan includes:
      - (1) Group Insurance Contracts, Individual Insurance Contracts and Subscriber contracts;

- (2) Uninsured arrangements of group or Group-Type coverage;
- (3) Group and non-group coverage through closed panel plans;
- (4) Group-Type Contracts;
- (5) The medical care components of long-term care contracts, such as skilled nursing care;
- (6) The medical benefits coverage in automobile “no fault” and traditional automobile “fault” type contracts;
- (7) Medicare or other governmental benefits, as permitted by law, except as provided in Subparagraph b of this definition. That part of the definition of “Plan” may be limited to the hospital, medical and surgical benefits of the governmental program; and
- (8) Group and non-group insurance contracts and subscriber contracts that pay or reimburse for the cost of dental care.

b. Plan does not include:

- (1) Hospital indemnity coverage benefits or other fixed indemnity coverage;
- (2) Accident only coverage;
- (3) Specified disease or specified accident coverage;
- (4) Limited benefit health coverage as defined in La. R.S. 22:47(2)(c), except for group and non-group dental coverage;
- (5) School accident-type coverages that cover students for accidents only, including athletic injuries, either on a 24-hour basis or on a “to and from school” basis;
- (6) Benefits provided in long-term care insurance policies for non-medical services, for example, personal care, adult day care, homemaker services, assistance with activities of daily living, respite care and custodial care or for contracts that pay a fixed daily benefit without regard to expenses incurred or the receipt of services;
- (7) Medicare supplement policies;
- (8) A state plan under Medicaid; or
- (9) A governmental plan, which, by law, provides benefits that are in excess of those of any private insurance plan or other non-governmental plan.

15. “Policyholder or Subscriber” means the primary insured named in an Individual Insurance Contract.

16. “Primary Plan” means a plan whose benefits for a person’s healthcare coverage must be determined without taking the existence of any other plan into consideration.

A Plan is a Primary Plan if:

- a. the plan either has no order of benefit determination rules, or its rules differ from those permitted by this regulation; or
- b. all plans that cover the person use the order of benefit determination rules required by this regulation, and under those rules the plan determines its benefits first.

17. “Provider” means a healthcare professional or healthcare facility.

18. "Secondary Plan" means a Plan that is not a Primary Plan.

19. "This Plan" means the part of this Benefit Plan and any amendments/endorsements thereto that provides Benefits for healthcare expenses.

### C. Order of Benefit Determination Rules

1. When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:
  - a. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
    - (1) Except as provided in Paragraph (2) below, a Plan that does not contain a coordination of benefits provision that is consistent with this Section is always primary unless the provisions of both Plans state that the complying plan is primary.
    - (2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that the supplementary coverage shall be excess to any other parts of the Plan provided by the Policyholder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
  - b. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
  - c. When a person is covered under a group Plan and a non-group (individual) Plan, the non-group Plan is always secondary to any group Plan, disregarding any other provision of this Section.
2. The following rules apply when group Plans coordinate benefits among themselves, and when non-group ("individual") Plans coordinate benefits among themselves. Each Plan determines its order of benefits **using the first of the following rules that applies, and discarding any other successive rules:**
  - a. Non-Dependent or Dependent Rule. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, Subscriber or retiree is the Primary plan and the Plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary plan and the other Plan is the Primary plan.
  - b. Dependent Child Covered Under More Than One Plan Rule. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
    - (1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
      - (a) The Plan of the parent whose Birthday falls earlier in the calendar year is the Primary plan; or
      - (b) If both parents have the same Birthday, the Plan that has covered the parent the longest is the Primary plan.
    - (2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

- (a) If a court decree states that one of the parents is responsible for the dependent child's healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
- (b) If a court decree states that both parents are responsible for the dependent child's healthcare expenses or healthcare coverage, the provisions of Subparagraph (2)(b)(1) above shall determine the order of benefits;
- (3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the dependent child, the provisions of Subparagraph (2)(b)(1) above shall determine the order of benefits; or
- (4) If there is no court decree allocating responsibility for the dependent child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
  - (a) The Plan covering the Custodial parent;
  - (b) The Plan covering the Spouse of the Custodial parent;
  - (c) The Plan covering the non-custodial parent; and the
  - (d) The Plan covering the Spouse of the non-custodial parent.
- (5) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraphs (2)(b)(1) or (2)(b)(2) above shall determine the order of benefits as if those individuals were the parents of the child.
- (6) For a dependent child covered under the Spouse's plan:
  - (a) For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a Spouse's plan, the rule in Subparagraph (2)(e) (Longer or Shorter Length in Coverage) applies.
  - (b) In the event the dependent child's coverage under the Spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule above in Subparagraph (2)(b)(1) to the dependent child's parent(s) and the dependent's Spouse.
- c. Active Employee or Retired or Laid-off Employee Rule. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The Plan covering that same person as a retired or laid-off employee is the Secondary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule of Subparagraph (2)(a) can determine the order of benefits.
- d. COBRA or State Continuation Coverage Rule. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule of Subparagraph (2)(a) determine the order of benefits.
- e. Longer or Shorter Length of Coverage Rule. The Plan that covered the person as an employee, member, policyholder, Subscriber or retiree longer is the Primary plan and the Plan that covered the person the shorter period of time is the Secondary plan.

To determine the length of time a person has been covered under a Plan, two successive plans shall be treated as one if the covered person was eligible under the second plan within 24 hours after coverage under the first plan ended.

The start of a new Plan does not include:

- (1) a change in the amount or scope of a Plan's benefits;
- (2) a change in the entity that pays, provides or administers the Plan's benefits; or
- (3) a change from one type of plan to another, such as, from a single employer plan to a multiple employer plan.

The person's length of time covered under a plan is measured from the person's first date of coverage under that plan. If that date is not readily available for a group plan, the date the person first became a member of the group shall be used as the date from which to determine the length of time the person's coverage under the present plan has been in force.

- f. Fall-Back Rule. If none of the preceding rules determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In any event, This Plan will never pay more than it would have paid had it been the Primary plan.

#### **D. When this Plan is Secondary**

Whenever This Plan is secondary to any other Plan, the Benefits of This Plan may be reduced so that no more than the Allowable Expense is ever paid for any given Claim taking into account all the benefits payable to the Member under all his/her Plans and sum of the Allowable Expenses for any Claim Determination Period. This will apply whether or not a Claim is made. The Benefits of This Plan will be reduced so that they and the benefits payable under the other Plans do not total more than those Allowable Expenses. When the Benefits of This Plan are reduced as described above, each Benefit is reduced in proportion. It is then charged against any applicable Benefit limit of This Plan. In any event, This Plan will never pay more than it would have paid had it been the Primary plan.

#### **E. Right to Receive and Release Needed Information**

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming Benefits under This Plan must give Us any facts We need to pay the Claim.

#### **F. Facility of Payment**

A payment made under another Plan may include an amount that should have been paid under This Plan. We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a Benefit paid under This Plan. To the extent, such payments are made; they discharge Us from further liability. The term "payment made" includes providing benefits in the form of services, in which case the payment made will be deemed to be the reasonable cash value of any benefits provided in the form of services.

#### **G. Right of Recovery**

If the amount of the payments that this Plan made is more than it should have paid under this COB section, this Plan may recover the excess. The Plan may get such recovery or payment from one or more of:

1. the persons it has paid or for whom it has paid;
2. insurance companies; or
3. other organizations.

The "amount of the payments made" includes the reasonable cash value of any Benefits provided in the form of services. If the excess amount is not received when requested, any Benefits due under This Plan will be reduced by the amount to be recovered until such amount has been satisfied.

## **C. Employer Responsibility**

1. It is the responsibility of the Participant Employer to submit enrollment and change forms and all other necessary documentation to the Plan Administrator on behalf of its Employees. Employees of a Participant Employer will not, by virtue of furnishing any documentation to the Plan Administrator, be considered agents of the Plan Administrator, and no representation made by any such person at any time will change the provisions of this Plan.
2. A Participant Employer shall immediately inform the Plan Administrator when a Retiree with OGB coverage returns to full-time or other benefit-eligible employment. The Retiree shall be placed in the Rehired Retiree category for premium calculation. The Rehired Retiree premium classification applies to Retirees with and without Medicare. The premium rates applicable to the Rehired Retiree premium classification shall be identical to the premium rates applicable to the classification for Retirees without Medicare.
3. A Participant Employer who receives a Medicare Secondary Payer (MSP) collection notice or demand letter shall deliver the MSP notice to the OGB MSP Adjuster within 15 days of receipt. If timely forwarded, OGB will assume responsibility for medical benefits, interest, fines and penalties due to Medicare for a covered Employee. If not timely forwarded, OGB will assume responsibility only for Covered Plan benefits due to Medicare for a covered Employee. The Participant Employer will be responsible for interest, fines, and penalties due.

## **D. Identification Cards and Benefit Plan**

The Claims Administrator will prepare an ID card for each Covered Employee. The Claims Administrator will issue a Benefit Plan to the Group and print a sufficient number of copies of this Benefit Plan for the Group's covered Employees. At the direction of the Group, the Claims Administrator will either deliver all materials to the Group for the Group's distribution to the covered Employees, or the Claims Administrator will deliver the materials directly to each covered Employee.

Unless otherwise agreed between the Group and the Claims Administrator, the Group has the sole responsibility for distributing all such documents to covered Employees.

## **E. Benefits to Which Plan Participants Are Entitled**

1. Benefits for Covered Services specified in this Benefit Plan will be provided only for services and supplies rendered on and after the Plan Participant's Effective Date by a Provider specified in this Plan and regularly included in such Provider's charges.
2. If the Plan Participant is an Inpatient in a Hospital on the date coverage ends, medical Benefits in connection with the Admission for that patient will end at the end of that Admission, or upon reaching any Benefit limitations set in this Benefit Plan, whichever occurs first. No Benefits are available to a Plan Participant for Covered Services rendered after the date of termination of a Plan Participant's coverage.

## **F. Retroactive Cancellation of Coverage**

1. The Plan Administrator may retroactively cancel coverage in the following instances:

- a. To the extent the cancellation of coverage is attributable to a failure of the Plan Participant to timely pay required premiums, contributions and surcharges toward the cost of coverage; or
  - b. The cancellation of coverage is initiated by the Plan Participant.
2. When the Plan Administrator retroactively cancels coverage, the Plan Participant shall be liable to the Plan Administrator for all benefits paid on behalf of the Plan Participant after the effective date of rescission or cancellation of coverage.

#### **G. Termination of a Plan Participant's Coverage Due to Fraud**

The Plan may choose to rescind coverage or terminate a Plan Participant's coverage if a Plan Participant performs an act or practice that constitutes fraud, or makes an intentional misrepresentation of material fact under the terms of this Plan. The issuance of this coverage is conditioned on the representations and statements contained in a required application and enrollment form. All representations made are material to the issuance of this coverage. Any information provided on the application or enrollment form, or intentionally omitted therefrom, as to any proposed or covered Plan Participant, shall constitute an intentional misrepresentation of material fact. A Plan Participant's coverage may be rescinded retroactively to the Effective date of coverage, or terminated within three (3) years of the Plan Participant's Effective Date, for fraud or intentional misrepresentation of material fact. The Plan will give the Plan Participant sixty (60) days advance written notice prior to rescinding or terminating coverage under this section. If You enroll someone that is not eligible for coverage, it will be considered an act of fraud or intentional misrepresentation of material fact.

#### **H. Reinstatement to Position Following Civil Service Appeal**

##### **1. Self-Insured Plan Participants**

When coverage of a terminated Employee, who was a participant in a self-insured health plan, is reinstated by reason of a civil service appeal, coverage will be reinstated to the same level in the Plan retroactive to the date coverage terminated. The Employee and Participant Employer are responsible for the payment of all premiums for the period of time from the date of termination to the date of the final order reinstating the Employee to his position. The Plan is responsible for the payment of all eligible benefits for charges incurred during this period. All Claims for expenses incurred during this period must be filed with the Plan within 60 days following the date of the final order of reinstatement.

##### **2. Fully Insured Health Maintenance Organization (HMO) Participants**

When coverage of a terminated Employee, who was a participant in a fully insured HMO, is reinstated by reason of a civil service appeal, coverage will be reinstated in the fully insured HMO in which the Employee was participating effective on the date of the final order of reinstatement. There will be no retroactive reinstatement of coverage and no premiums will be owed for the period during which coverage with the fully insured HMO was not effective.

#### **I. Filing Claims**

1. All Claims must be filed within ninety (90) days from the date services were rendered, unless it is not reasonably possible to do so. In no event may any Claim be filed later than twelve (12) months from the date services were rendered.
2. Most Plan Participants with Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically for the Plan Participant. However, if the Plan Participant must file a Claim to access their Prescription Drug Benefit, the Plan Participant must use the Prescription Drug Claim Form. The Prescription Drug Claim Form may require the signature of the dispensing pharmacist. The Claim form should then be sent to OGB's Pharmacy Benefit Manager, whose telephone number should be found on the Plan Participant's ID card.

## J. Release of Information

The Claims Administrator may request that the Plan Participant or the Provider furnish certain information relating to the Plan Participant's Claim for Benefits. The Claims Administrator will hold such information, records, or copies of records as confidential except where in the Claims Administrator's discretion the same should be disclosed.

## K. Plan Participant/Provider Relationship

1. The selection of a Provider is solely the Plan Participant's responsibility.
2. The Claims Administrator and all Network Providers are to each other independent contractors, and will not be considered to be agents, representatives, or Employees of each other for any purpose whatsoever. The Claims Administrator does not render Covered Services but only makes payment for Covered Services that the Plan Participant receives. The Claims Administrator is not liable for any act or omission of any Provider, or for any Claim or demand because of damages arising out of, or in any manner connected with, any injuries suffered by the Plan Participant while receiving care from any Network Provider or in any Network Provider's facilities. The Claims Administrator has no responsibility for a Provider's failure or refusal to render Covered Services to the Plan Participant.
3. The use or non-use of an adjective such as Network or Non-Network in referring to any Provider is not a statement as to the ability of the Provider.

## L. This Benefit Plan and Medicare

When an individual is covered by this Plan and by Medicare, Medicare laws and regulations govern the order of Benefit, that is, whether Medicare is the primary or secondary payer.

1. The following applies to Retirees and to covered Spouses of Retirees who have attained the age of sixty-five (65) **before** July 1, 2005:
  - a. If the Plan Participant is not enrolled in Medicare, this Plan is the primary payer. Eligible Expenses will be paid without regard to Medicare coverage.
  - b. If the Plan Participant is enrolled in Medicare, Medicare is the primary payer. Eligible Expenses under this Plan will be limited to the amount allowed by Medicare, less the amount paid or payable by Medicare. Eligible Expenses not covered by Medicare are payable.
2. The following applies to Retirees and to covered Spouses of Retirees who attain or have attained the age of sixty-five (65) **on or after** July 1, 2005:
  - a. Eligible for Medicare

A Retiree or Spouse of a Retiree who attains or has attained age sixty-five (65), when either has sufficient earnings credits to be eligible for Medicare, **MUST ENROLL** in Medicare Part A and Medicare Part B in order to receive Benefits under this Plan.

Benefits are payable as secondary to the Part of Medicare in which the individual is enrolled, except as specifically provided in this Benefit Plan. Eligible Expenses under this Plan will be limited to the amount allowed by Medicare, less the amount paid or payable by Medicare. All provisions of this Plan, including all provisions related to Deductibles, Coinsurance, limitations and exclusions will be applied.

If such Retiree or Spouse of a Retiree is not enrolled in Medicare Part A and Medicare Part B, **NO BENEFITS** will be paid or payable under this Plan except Benefits payable as secondary to the Part of Medicare in which the individual is enrolled;

b. Not Eligible for Medicare

A Retiree and Spouse of a Retiree who do not have sufficient earnings credits to be eligible for Medicare, and therefore are not enrolled in Medicare, must provide written verification from the Social Security Administration or its successor.

This Plan is the primary payer, and Benefits will be paid without regard to Medicare coverage.

**M. Notices**

Any notice required under this Benefit Plan must be in writing. Any notice required to be given to the Plan Participant will be considered delivered when deposited in the United States mail, postage prepaid, addressed to the Plan Participant at his address as the same appears on the Plan Administrator's records. Any notice that a Plan Participant is required to give to the Plan Administrator must be given at the Plan Administrator's address as it appears in this Benefit Plan. The Plan or the Plan Participant may, by written notice, indicate a new address for giving notice.

**N. Job-Related Injury or Illness**

The Group must report to the appropriate federal or state governmental agency any job-related injury or illness of a Plan Participant where so required under the provisions of any federal or state laws and/or related programs. This Plan, with any described exceptions, excludes Benefits for any services rendered as a result of occupational disease or injury compensable under any federal or state Workers Compensation laws and/or any related programs including, but not limited to the Jones Act, Federal Employers Liability Act, Federal Employees Compensation Act, Longshore and Harbor Workers Compensation Act, Black Lung Benefits Act, Energy Employees Occupational Illness Compensation Program, and Title 23 of the Louisiana Revised Statutes whether or not coverage under such laws or programs is actually in force. In the event Benefits are initially extended by the Plan and a compensation carrier, or employer, governmental agency or program, insurer, or any other entity makes any type of settlement with the Plan Participant, or with any person entitled to receive settlement where the Plan Participant dies, or if the Plan Participant's injury or illness is found to be compensable under federal or state Workers Compensation laws or programs, the Plan Participant must reimburse the Plan for Benefits extended or direct the compensation carrier, employer, governmental agency or program, insurer, or any other entity to make such reimbursement. The Group will be entitled to such reimbursement even if the settlement does not mention or excludes payment for healthcare expenses.

**O. Subrogation and Reimbursement**

Upon payment of any eligible Benefits covered under this Plan, the Office of Group Benefits plan shall succeed and be subrogated to all rights of recovery of the Plan Participant or his/her heirs or assigns for whose benefit payment is made and the Plan Participant shall execute and deliver instruments and papers and do whatever is necessary to secure such rights and shall do nothing to prejudice such rights. The Office of Group Benefits shall have an automatic lien against and shall be entitled, to the extent of any payment made to a Plan Participant and/or his/her heirs or assigns, to 100% of the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of a Plan Participant and/or his/her heirs or assigns against any person or entity legally responsible for the disease, illness, accident, or injury for which said payment was made.

To this end, Plan Participants agree to immediately notify the Office of Group Benefits or its agent assigned to exercise reimbursement and subrogation rights on its behalf of any action taken to attempt to collect any sums against any person or entity responsible for the disease, illness, accident, or injury. These subrogation and reimbursement rights also apply, BUT ARE NOT LIMITED TO, when a Plan Participant recovers under an uninsured or underinsured motorist plan, homeowner's plan, renter's plan, medical malpractice plan, worker's compensation plan or any general liability plan.

Under these subrogation and reimbursement rights, the Office of Group Benefits has a right of first recovery to the extent of any judgment, settlement, or any payment made to the Plan Participant and/or his/her heirs or assigns. These rights apply whether such recovery is designated as payment for pain and suffering, medical benefits, or other specified damages, even if the Plan Participant is not made whole (i.e., fully compensated for his/her injuries).

## **P. Right of Recovery**

Whenever any payment for Covered Services has been made by the Plan in an amount that exceeds the maximum Benefits available for such services under this Benefit Plan, or exceeds the Allowable Charge, or whenever payment has been made in error by the Plan for non-covered services, the Plan will have the right to recover such payment from the Plan Participant or, if applicable, the Provider.

As an alternative, the Plan reserves the right to deduct, from any pending Claim for payment under this Plan, any amounts the Plan Participant or Provider owes the Plan.

## **Q. Coverage in a Department of Veterans Affairs or Military Hospital**

In any case in which a veteran is furnished care or services by the Department of Veterans Affairs for a non- service-connected disability, the United States will have the right to recover or collect the reasonable cost of such care or services from the Plan to the extent the veteran would be eligible for Benefits for such care or services from the Plan if the care or services had not been furnished by a department or agency of the United States. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

The United States will have the right to collect from the Plan the reasonable cost of healthcare services incurred by the United States on behalf of a military Retiree or a military Dependent through a facility of the United States military to the extent that the Retiree or Dependent would be eligible to receive reimbursement or indemnification from the Plan if the Retiree or Dependent were to incur such cost on his own behalf. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

## **R. Liability of Plan Affiliates**

The Plan Administrator, on behalf of itself and its participants, hereby expressly acknowledges its understanding that this Plan of Benefits constitutes a contract solely between the Plan Administrator and Blue Cross and Blue Shield of Louisiana, that Blue Cross and Blue Shield of Louisiana is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, the "Association" permitting Blue Cross and Blue Shield of Louisiana and its subsidiaries and affiliates (collectively "Blue Cross and Blue Shield of Louisiana") to use the Blue Cross and Blue Shield Service Marks in the State of Louisiana, and that Blue Cross and Blue Shield of Louisiana is not contracting as the agent of the Association. The Plan Administrator, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this Benefit Plan based upon representations by any person other than Blue Cross and Blue Shield of Louisiana and that no person, entity, or organization other than Blue Cross and Blue Shield of Louisiana shall be held accountable or liable to the Plan Administrator for any of Blue Cross and Blue Shield of Louisiana's obligations to the Plan Administrator. This paragraph shall not create any additional obligations whatsoever on the part of Blue Cross and Blue Shield of Louisiana, other than those obligations created under other provisions of this claims administration agreement.

## **S. Out-of-Area Services**

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees"). Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross and Blue Shield Association. Whenever You obtain healthcare services outside the geographic area Blue Cross and Blue Shield of Louisiana serves, the Claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When You receive care outside of Blue Cross and Blue Shield of Louisiana's service area, You will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Non-Participating Providers") don't contract with the Host Blue. The Claims Administrator explains below how both kinds of Providers are paid.

The Magnolia Local Plus Benefit Plan covers only limited healthcare services received outside of Blue Cross and Blue Shield of Louisiana's service area. As used in this section, "Out-of-Area Covered Healthcare Services" include emergency care obtained outside the geographic area the Claims Administrator serves. Any other services will not be covered when processed through any Inter-Plan Programs arrangements.

## Inter-Plan Arrangements Eligibility – Claim Types

All Claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits when paid as medical Benefits, and those Prescription Drug Benefits or vision care Benefits that may be administered by a third party contracted by the Claims Administrator to provide the specific service or services.

### 1. BlueCard® Program

Under the BlueCard® Program, when Plan Participants access covered healthcare services within the geographic area served by a Host Blue, Claims Administrator will remain responsible for fulfilling its contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Network Providers.

When You receive Covered Services outside Blue Cross and Blue Shield of Louisiana's service area and the Claim is processed through the BlueCard® Program, the amount You pay for the Covered Services is calculated based on the lower of:

- the billed covered charges for Your Covered Services; or
- the negotiated price that the Host Blue makes available to The Plan.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of Claims, as noted above. However, such adjustments will not affect the price the Claims Administrator has used for Your Claim because they will not be applied after a Claim has already been paid.

### 2. Non-Participating Providers Outside Blue Cross and Blue Shield of Louisiana's Service Area

#### a. Plan Participant Liability Calculation

When Covered Services are provided outside of Blue Cross and Blue Shield of Louisiana's service area by Non-Participating Providers, the amount You pay for such services will normally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, may govern payments for out-of-network Emergency Medical Services.

#### b. Exceptions

In certain situations, the Claims Administrator may use other payment methods, such as billed charges for Covered Services, the payment the Claims Administrator would make if the healthcare services had been obtained within Blue Cross and Blue Shield of Louisiana's service area, or a special negotiated payment to determine the amount the Claims Administrator will pay for services provided by Non-Participating Providers. In these situations, You may be liable for the difference between the amount that the Non-Participating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.

### 3. Blue Cross Blue Shield Global® Core

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter “BlueCard® service area”), You may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing Covered Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although the Blue Cross Blue Shield Global® Core assists You with accessing a network of Inpatient, Outpatient and professional Providers, the network is not served by a Host Blue. As such, when You receive care from Providers outside the BlueCard® service area, You will typically have to pay the Providers and submit the Claims Yourself to obtain reimbursement for these services.

4. If You need medical assistance services (including locating a doctor or Hospital) outside the BlueCard® service area, You should call the Blue Cross Blue Shield Global® Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a Physician appointment or hospitalization, if necessary.

#### a. Inpatient Services

In most cases, if You contact the Blue Cross Blue Shield Global® Core service center for assistance, Hospitals will not require You to pay for covered Inpatient services, except for Your Deductible and Coinsurance. In such cases, the Hospital will submit Your Claims to the Blue Cross Blue Shield Global® Core service center to begin Claims processing. However, if You paid in full at the time of service, You must submit a Claim to receive reimbursement for Covered Services. You must contact the Claims Administrator to obtain Authorization for non-Emergency Inpatient services, as explained in the Care Management Article of this Benefit Plan.

#### b. Outpatient Services

Physicians, Urgent Care Centers and other Outpatient Providers located outside the BlueCard® service area will typically require You to pay in full at the time of service. You must submit a Claim to obtain reimbursement for Covered Services.

#### c. Submitting a Blue Cross Blue Shield Global® Core Claim

When You pay for Covered Services outside the BlueCard® service area, You must submit a Claim to obtain reimbursement. For institutional and professional Claims, You should complete a Blue Cross Blue Shield Global® Core claim form and send the claim form with the Provider’s itemized bill(s) to the Blue Cross Blue Shield Global® Core service center at the address on the form to initiate Claims processing. Following the instructions on the claim form will help ensure timely processing of Your Claim. The claim form is available from Blue Cross and Blue Shield of Louisiana, the Blue Cross Blue Shield Global® Core service center, or online at [www.bcbsglobalcore.com](http://www.bcbsglobalcore.com). If You need assistance with Your Claim submission, You should call the Blue Cross Blue Shield Global® Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

## T. Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage

The Plan Administrator shall provide to certain Plan Participants who have Prescription Drug coverage under this Plan, without charge, a written certification that their Prescription Drug coverage under this Plan is either creditable or non-creditable. Coverage is deemed creditable if it is at least as good as the standard Medicare Part D Prescription Drug benefit. The Plan Administrator will provide these Certificates to Plan Participants who are eligible for Medicare Part D based upon enrollment data.

The Plan Administrator will provide Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage to covered Plan Participants at the following times, or as designated by law:

1. prior to the Medicare Part D Annual Coordinated Election Period;
2. prior to an individual’s Initial Enrollment Period (IEP) for Medicare Part D;
3. whenever Prescription Drug coverage under this Benefit Plan ends;

4. whenever Prescription Drug coverage under this Plan changes so that it is no longer creditable or becomes creditable; and/or
5. upon a Medicare beneficiary's request.

If a Plan Participant or his Authorized Representative wants to register an oral Complaint or file a formal written Grievance about the quality of care or services received from the Claims Administrator or a Network Provider, he should refer to the procedures below.

#### **1. Complaints**

A Complaint is an **oral** expression of dissatisfaction with Us or with Provider services. A quality of service concern addresses appropriateness of care given to a Plan Participant, Our services, access, availability or attitude and those of Our Network Providers.

**To make a Complaint**, call the Claims Administrator's customer service department at 1-800-392-4089. The Claims Administrator will attempt to resolve the Complaint at the time of the call.

If a Plan Participant or his Authorized Representative is dissatisfied with the Claims Administrator’s resolution, he may file a first level Grievance.

#### **B. Informal Reconsideration: Pre-Service Denial Based on Medical Necessity or Investigational Determinations**

In addition to the Appeal rights, the Plan Participant's Provider may initiate an Informal Reconsideration to review Utilization Management decisions.

##### **Informal Reconsideration**

An Informal Reconsideration is a process to review Utilization Management decisions and is initiated by request by telephone, made by an authorized Provider to speak to the Claims Administrator's Medical Director or to a peer reviewer. An Informal Reconsideration is available only if requested within **ten (10) calendar days** of the date of the initial denial or adverse Concurrent Review determination. The Claims Administrator will conduct the Informal Reconsideration within **one (1) business day** from the receipt of the request. Once the Informal Reconsideration is complete, the Claims Administrator will advise the Plan Participant or his Authorized Representative of the decision and, if necessary, the Plan Participant's additional Appeal rights.

#### **C. Appeals: Standard Appeal, External and Expedited Appeals**

A Plan Participant may be dissatisfied with coverage decisions made by the Claims Administrator. For example, rescissions of coverage, denied Authorizations, Investigational determinations, adverse Medical Necessity determinations, Adverse Benefit Determinations based on medical judgment, denied Benefits (in whole or in part), or adverse Utilization Management decisions.

A Plan Participant's Appeal rights, including a right to an expedited Appeal, are outlined below.

##### **Standard Appeals Process**

An Appeal is a **written** expression of dissatisfaction with coverage decisions made by the Claims Administrator. A Plan Participant or his Authorized Representative may file an administrative Appeal or a medical Appeal. The Plan Participant or his Authorized Representative is encouraged to submit written comments, documents, records, and other information relating to adverse coverage decisions.

If the Plan Participant or his Authorized Representative has questions or needs assistance putting an Appeal in writing, or wishes to communicate with the Claims Administrator regarding an Appeal, he may call the Claims Administrator's customer service department at 1-800-392-4089.

**MULTIPLE REQUESTS TO APPEAL THE SAME CLAIM, SERVICE, ISSUE, OR DATE OF SERVICE WILL NOT BE CONSIDERED, AT ANY LEVEL OF REVIEW.**

The Appeal process has two (2) mandatory levels of review. At each level of review, the review will involve persons who did not participate in any prior Adverse Benefit Determination and who are not a subordinate to any previous adverse decision-maker. When the Appeal requires medical judgment, the review will involve a healthcare professional who has appropriate training and experience in the field of medicine involved in the medical judgment.

## Administrative Appeals

Administrative Appeals involve contractual issues, Rescissions of Coverage, and Adverse Benefit Determinations which are not related to Medical Necessity, appropriateness, healthcare setting, level of care, effectiveness or treatment is determined to be experimental or Investigational.

### 1. **First Level Administrative Appeal**

Requests submitted to the Claims Administrator after one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination will not be considered.

The Claims Administrator will investigate the Plan Participant's concerns. If the administrative Appeal is denied, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal process.

The administrative Appeal decision will be mailed to the Plan Participant, the authorized representative, or Provider authorized to act on the Plan Participant's behalf, within thirty (30) calendar days of receipt of the Plan Participant's request; unless the Claims Administrator and the Plan Participant mutually agreed that an extension of the time is warranted.

All administrative Appeals should be submitted in writing to:

Requests submitted after sixty (60) calendar days of receipt the first level Appeal decision will not be considered.

An Appeals Committee of persons not involved in previous decisions regarding the initial Adverse Benefit Determination will review the second level Appeals. The Committee's decision is considered final and binding.

The Committee's decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within five (5) days of the Committee meeting.

#### **1. First Level Internal Medical Appeals**

If the Plan Participant is not satisfied with the Claims Administrator's decision, a written request to Appeal must be submitted within **one hundred eighty (180) calendar days** of receipt of the initial Adverse Benefit Determination for internal medical Appeals. Requests submitted to the Claims Administrator after **one hundred eighty (180) calendar days** of receipt of the initial Adverse Benefit Determination will not be considered.

A Physician or other healthcare professional in the same or an appropriate specialty that typically manages the medical condition, procedure, or treatment under review and who is not subordinate to any previous decision-maker on the initial Adverse Benefit Determination, will review the internal Medical Necessity Appeal.

If the internal medical Appeal is overturned, the Claims Administrator will reprocess the Plan Participant's Claim, if any. If the internal medical Appeal is upheld, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal process.

The internal medical Appeal decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) calendar days of receipt of the Plan Participant's request; unless the Claims Administrator and Plan Participant mutually agreed that an extension of the time is warranted.

If the first level Appeal is denied or if the Claims Administrator fails to complete the Appeal within the time limits set forth above, the Plan Participant or his Authorized Representative may request a Second Level Appeal (External Review).

#### **2. Second Level Medical / External Appeals**

If the Plan Participant is not satisfied with the determination on his Claim, or if the Claims Administrator fails to complete the Appeal within the time limits set forth above, the Plan Participant or his Authorized Representative must send a written request for an external Appeal, conducted by a non-affiliated Independent Review Organization (IRO), within **one hundred twenty (120) calendar days** of receipt of the internal Appeal decision, to:

Blue Cross and Blue Shield of Louisiana  
Medical Appeals  
P.O. Box 98022  
Baton Rouge, LA 70898-9022

Requests submitted to the Claims Administrator after one hundred twenty (120) days of receipt of the internal Appeal decision will not be considered. The Plan Participant is required to sign the form included in the internal medical Appeal denial notice which authorizes release of medical records for review by the IRO. **Appeals submitted by your Provider will not be accepted without this form completed with Your signature.**

The Claims Administrator will conduct a preliminary review to determine whether the Plan Participant has a right to an external review within five (5) business days of receiving the request. The Claims Administrator will notify the Plan Participant or his Authorized Representative, in writing, of the decision and requirements for any further action by the Plan Participant or his Authorized Representative within one (1) business day after completing the preliminary review.

If an external review right exists, the Claims Administrator will provide the IRO all pertinent information necessary to conduct the external Appeal. The external review will be completed within forty-five (45) days of receipt of the external Appeal request. The IRO will notify the Plan Participant or their authorized representative and all appropriate Providers of its decision.

The IRO decision is considered final and binding.

If you need help or have questions about Your Appeal rights, call the Employee Benefits Security Administration (EBSA) at 1-866-444-EBSA or 1-866-444-3272.

### **Expedited Appeals Process**

The Expedited Appeal process is available for review of the Adverse Benefit Determination involving a situation where the time frame of the standard medical Appeal would seriously jeopardize the Plan Participant's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating physician, the Plan Participant may experience pain that cannot be adequately controlled while awaiting a standard medical Appeal decision.

An Expedited Appeal also includes requests concerning an Admission, availability of care, continued stay, or healthcare service for a Plan Participant currently in the emergency room, under observation, or receiving Inpatient care.

An Expedited External Appeal is also available if the Adverse Benefit Determination involves a denial of coverage based on a determination that the recommended or requested healthcare service or treatment is deemed experimental or Investigational; and the covered person's treating Physician certifies in writing that the recommended or requested healthcare service or treatment that is the subject of the Adverse Benefit Determination would be significantly less effective if not promptly initiated.

Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal shall be made available to, and may be initiated by the Plan Participant, his authorized representative, or a Provider authorized to act on the Plan Participant's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-800-376-7741 or 1-225-293-0625.

For written Expedited Appeals, fax 225-298-1837 or mail to:

Blue Cross and Blue Shield of Louisiana  
Expedited Appeal - Medical Appeals

Baton Rouge, LA 70898-9022

## 1. Expedited Internal Medical Appeals

In these cases, We will make a decision no later than seventy-two (72) hours of our receipt of an Expedited Appeal request that meets the criteria for Expedited Internal medical Appeal.

In any case where the internal Expedited medical Appeal process does not resolve a difference of opinion between the Claims Administrator and the Plan Participant or the Provider acting on behalf of the Plan Participant, the Appeal may be elevated to an Expedited External medical Appeal.

If an Expedited internal medical Appeal does not meet the Expedited Appeal criteria or does not include the Physician attestation signature, the Appeal will follow the standard Appeal process and timeframe.

## 2. Expedited External Medical Appeal

An Expedited External medical Appeal is a request for immediate review, by an Independent Review Organization (IRO). The request may be simultaneously filed with a request for an internal Expedited medical Appeal, since the Independent Review Organization assigned to conduct the expedited external review will determine whether the request is eligible for an external review at the time of receipt. We will forward all pertinent information for Expedited External medical Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

### **D. Exhaustion**

The Plan Participant will have exhausted his administrative remedies under the Plan when the Plan Participant completes any one of the following steps:

- The OGB Eligibility Appeal process;
- Pharmacy Benefit Manager Appeal process;
- The Second Level Expedited Appeal process;
- The Second Level Internal Appeal process;
- The OGB Voluntary Level Appeal process; or,
- The External Review process.

After exhaustion, a claimant may pursue any other legal remedies available to him.

### **E. Legal Limitations**

A Plan Participant must exhaust his administrative remedies before filing a legal action. A lawsuit related to a claim must be filed no later than twelve (12) months after the claim is required to be filed, or more than thirty (30) calendar days after the Plan Participant has exhausted his administrative remedies, whichever is later.

Any and all lawsuits, other than those related to claims as stated above, must be brought within one (1) year of the end of the Benefit Period.

## **ARTICLE XX.           OBTAINING CARE WHILE TRAVELING, MAKING POLICY CHANGES AND FILING CLAIMS**

The Claims Administrator is continuing to update its online access for Plan Participants. Plan Participants may now be able to perform many of the functions described below, without contacting the Claims Administrator's customer service department. The Claims Administrator invites Plan Participants to log on to [www.bcbsla.com/ogb](http://www.bcbsla.com/ogb) for access to these services.

All of the forms mentioned in this section can be obtained from the Claims Administrator's regional offices. If the Plan Participant needs to submit documentation to the Claims Administrator, the Plan Participant may forward it to Blue Cross and Blue Shield of Louisiana at P. O. Box 98029, Baton Rouge, LA 70898-9029, or to 5525 Reitz Avenue, Baton Rouge, LA 70809.

If the Plan Participant has any questions about any of the information in this section, the Plan Participant may call the Claims Administrator's customer service department at the telephone number shown on his ID card.

### **A. How to Obtain Care Using BlueCard® While Traveling**

1. The Plan Participant's ID card offers convenient access to PPO healthcare outside of Louisiana. If the Plan Participant is traveling or residing outside of Louisiana and needs medical attention, please follow these steps:
  - a. In an Emergency, go directly to the nearest Hospital.
  - b. Call BlueCard® Access at 1-800-810-BLUE (2583) for information on the nearest PPO Network Providers.
  - c. Use a designated PPO Network Provider to receive Network Benefits.
  - d. Present the Plan Participant's ID card to the Provider, who will verify coverage and file Claims for the Plan Participant (Plan Participants may be required to pay professional Providers and seek reimbursement).
  - e. The Plan Participant must obtain any required Authorizations from the Claims Administrator.

### **B. How to File Insurance Claims**

The Claims Administrator and most Providers have entered into agreements that eliminate the need for a Plan Participant to personally file a Claim for Benefits. Network Providers will file Claims for Plan Participants either by mail or electronically. In certain situations, the Provider may request the Plan Participant to file the Claim. If the Plan Participant's Provider does request them to file directly with the Claims Administrator the following information will help the Plan Participant in correctly completing the Claim form.

The Plan Participant's Blue Cross and Blue Shield ID card shows the name of the Employee or Retiree as it appears on the Claims Administrator's records. The ID card also lists the Plan Participant's Benefit Plan number (ID #). This number is the identification to the Plan Participant's membership records and should be provided to the Claims Administrator each time a Claim is filed. To assist in promptly handling the Plan Participant's Claims, the Plan Participant must be sure that the appropriate Claim form is used, and includes the following:

1. Full name of patient
2. Plan Participant ID number, as shown on the ID card
3. Patient's date of birth
4. Patient's relationship to the Employee
5. All services itemized, with the appropriate diagnosis and procedure codes and descriptions, for each service/treatment rendered, along with the charge for each service/treatment rendered (the diagnosis code pointers must be consistent with the Claim form)

6. Date(s) of service/date(s) of treatment
7. Name and address of Provider of service/treatment
8. Signed by the Plan Participant and the Provider

**IMPORTANT NOTE:** The Plan Participant must be sure to check all Claims for accuracy. The Member ID number must be correct. It is important that the Plan Participant keep a copy of all bills and Claims submitted.

### **C. Additional Information for Filing Specific Claims**

#### **1. Admission to a Hospital or Allied Health Facility Claims**

When the Plan Participant is admitted to a Network Hospital or Allied Health Facility, the Plan Participant should show their Blue Cross and Blue Shield ID card to the admitting clerk. The Provider will file the Claim with the Claims Administrator. The Plan's payments will go directly to the Network Provider. The Provider will then bill the Plan Participant directly for any remaining balance. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

#### **2. Outpatient Department Claims**

The procedure to be followed is the same as that for an Admission to a Hospital or Allied Health Facility. However, in some instances involving Outpatient treatment, the Non-Network Provider may ask for payment directly from the Plan Participant. If this occurs, the Plan Participant should obtain an itemized copy of the bill, be sure the Claim form correctly notes the Benefit Plan number (ID #), the patient's date of birth, as well as the patient's relationship to the Employee/Retiree. The Provider must mark the bill or Claim form PAID. The Plan Participant should forward this statement to the Claims Administrator.

#### **3. Emergency Room Claims**

When a Plan Participant has Emergency Room services performed by a Network or Non-Network Provider, the Plan Participant should show his ID card to the admitting clerk. The Provider will file the Claim with Us. Benefit payment will be sent directly to the Provider. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

#### **4. Durable Medical Equipment (DME) Claims**

Charges for rental or purchase of wheelchairs, braces, crutches, etc. must be on the bill of the supplying firm with a description of the item rented or purchased, the date, the charge, and the patient's name. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary must also be filed with these bills.

#### **5. Mental Health and/or Substance Use Disorder Claims**

For help with filing a Claim for Mental Health and/or Substance Use Disorders, the Plan Participant should refer to his ID card or call the Claims Administrator's customer service department.

#### **6. Other Medical Claims**

When the Plan Participant receives other medical services from clinics, Provider offices, etc., the Plan Participant should ask if the Provider is a Network Provider. If yes, this Provider will file the Plan Participant's Claim with the Claims Administrator. In some situations, the Non-Network Provider may request payment and ask the Plan Participant to file. If this occurs, the Plan Participant should be sure the Claim form is complete before forwarding it to the Claims Administrator.

If the Plan Participant is filing the Claim, the Claim must contain the information listed in section B., above.

Itemized bills submitted with Claim forms must include the following:

- a. full name of patient
- b. date(s) of service
- c. call services itemized, with the appropriate diagnosis and procedure codes and descriptions, for each service/treatment rendered, along with the charge for each service/treatment rendered
- d. name and address of Provider of service

NOTE: Statements, canceled checks, payment receipts and balance forward bills may not be used in place of itemized bills.

**GENERAL NOTICE OF  
CONTINUATION OF COVERAGE RIGHTS UNDER COBRA**

**Introduction**

This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of group health coverage under certain circumstances when coverage would otherwise end under any of the Office of Group Benefits-sponsored health plans (hereinafter referred to as "Plan"). **This notice generally explains COBRA coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.** COBRA (and the description of COBRA coverage contained in this notice) applies only to the group health plan benefits offered under the Plan and not to any other benefits offered by the State of Louisiana (such as life insurance).

The right to COBRA coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA coverage can become available to you when you would otherwise lose your group health coverage under the Plan. It can also become available to your Spouse and Dependent Children, if they are covered under the Plan, when they would otherwise lose their group health coverage under the Plan. This notice does not fully describe COBRA coverage or other rights under the Plan. For additional information about your rights and obligations under the Plan and under federal law, you should get a copy of the Plan Document from the Plan. The Plan provides no greater COBRA rights than what COBRA requires—nothing in this notice is intended to expand your rights beyond COBRA's requirements.

**What is COBRA Coverage?**

COBRA coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event occurs and any required notice of that event is properly provided to the Office of Group Benefits, COBRA coverage must be offered to each person losing Plan coverage who is a "qualified beneficiary." You, your Spouse, and your Dependent Children could become qualified beneficiaries and would be entitled to elect COBRA coverage if coverage under the Plan is lost because of the qualifying event. (Certain newborns, newly adopted Children, and alternate recipients under QMCSOs may also be qualified beneficiaries. This is discussed in more detail in separate paragraphs below.) Under the Plan, qualified beneficiaries who elect COBRA must pay the entire cost of COBRA coverage.

**Who is entitled to elect COBRA Coverage?**

If you are an Employee, you will be entitled to elect COBRA coverage if you lose your group health coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the Spouse of an Employee, you will be entitled to elect COBRA coverage if you lose your group health coverage under the Plan because any of the following qualifying events happens:

- Your Spouse dies;
- Your Spouse's hours of employment are reduced;
- Your Spouse's employment ends for any reason other than his or her gross misconduct; or
- You become divorced from your Spouse. Also, if your Spouse (the Employee) reduces or eliminates your group health coverage in anticipation of a divorce, and a divorce later occurs, then the divorce may be considered a qualifying event for you even though your coverage was reduced or eliminated before the divorce. If you notify the Office of Group Benefits within 60 days after the divorce and can establish that the Employee cancelled the coverage earlier in anticipation of the divorce, the COBRA coverage may be available for the period after the divorce.

A person enrolled as the Employee's Dependent Child will be entitled to elect COBRA coverage, if he or she loses group health coverage under the Plan because any of the following qualifying events happens:

- The parent-Employee dies;
- The parent-Employee's hours of employment are reduced;
- The parent-Employee's employment ends for any reason other than his or her gross misconduct; or
- The Child stops being eligible for coverage under the Plan as a "Dependent Child."

### **When is COBRA Coverage Available?**

When the qualifying event is the end of employment or reduction of hours of employment or death of the Employee, the Plan will offer COBRA coverage to qualified beneficiaries only after the Office of Group Benefits has been timely notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, or death of the Employee, the Participant Employer must notify the Office of Group Benefits of the qualifying event within 30 days following the date coverage ends.

### **You Must Give Notice of Some Qualifying Events**

**For the other qualifying events (divorce of the Employee and Spouse, or a Dependent Child's losing eligibility for coverage as a Dependent Child), you must notify the Office of Group Benefits in writing within 60 days after the later of: (1) the date of the qualifying event; and (2) the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the qualifying event. You must follow the notice procedures specified by the Office of Group Benefits. If notice is not provided to the Office of Group Benefits during the 60-day notice period, ALL QUALIFIED BENEFICIARIES WILL LOSE THEIR RIGHT TO ELECT COBRA.**

**Once the Office of Group Benefits receives timely notice of the qualifying event, it will forward the information to its third-party COBRA Administrator, who will notify You of your right to elect COBRA coverage.**

### **Electing COBRA**

Once the Office of Group Benefits receives timely notice that a qualifying event has occurred, each qualified beneficiary will have an independent right to elect COBRA coverage. Once the Office of Group Benefits receives timely notice of the qualifying event, it will forward the information to its third-party COBRA Administrator, who will notify You of your right to elect COBRA coverage. Covered Employees and Spouses (if the Spouse is a qualified beneficiary) may elect COBRA coverage on behalf of all of the qualified beneficiaries, and parents may elect COBRA coverage on behalf of their Children. **Any qualified beneficiary for whom COBRA coverage is not elected within the 60-day election period specified in the Plan's COBRA election notice WILL LOSE HIS OR HER RIGHT TO ELECT COBRA COVERAGE.**

### **How Long Does COBRA Coverage Last?**

COBRA coverage is a temporary continuation of coverage. When the qualifying event is the death of the Employee, the covered Employee's divorce, or a Dependent Child's losing eligibility as a Dependent Child, COBRA coverage can last for up to a total of 36 months.

When the qualifying event is the end of employment or reduction of the Employee's hours of employment, and the Employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for qualified beneficiaries (other than the Employee) who lose coverage as a result of the qualifying event can last until up to 36 months after the date of Medicare entitlement. For example, if a covered Employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA coverage under the Plan for his Spouse and Children who lost coverage as a result of his termination can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). This COBRA coverage period is available only if the covered Employee becomes entitled to Medicare within 18 months BEFORE the termination or reduction in hours.

Otherwise, when the qualifying event is the end of employment or reduction of the Employee's hours of employment, COBRA coverage generally can last for only up to a total of 18 months.

### **Extension of COBRA Coverage**

The COBRA coverage periods described above are maximum coverage periods. There are two ways in which the period of COBRA coverage resulting from a termination of employment or reduction of hours can be extended.

#### ***Disability extension of COBRA coverage***

If a qualified beneficiary is determined by the Social Security Administration (or by the staff of the COBRA Administrator in the case of a person who is ineligible for Social Security disability benefits due to insufficient "quarters" of employment) to be disabled and you notify the COBRA Administrator in a timely fashion, all of the qualified beneficiaries in your family may be entitled to receive up to an additional 11 months of COBRA coverage, for a total maximum of 29 months. This extension is available only for qualified beneficiaries who are receiving COBRA coverage because of a qualifying event that was the covered Employee's termination of employment or reduction of hours. The disability must have started at some time before the sixty-first (61<sup>st</sup>) day after the Covered Employee's termination of employment or reductions of hours, and must last at least until the end of the period of COBRA coverage that would be available without the disability extension (generally 18 months, as described above).

For persons eligible to receive Social Security disability benefits, the disability extension is available only if you notify the Office of Group Benefits and the COBRA Administrator in writing and submit a copy of the Social Security Administration's determination of disability within 60 days after the latest of:

- the date of the Social Security Administration's disability determination; and
- the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered Employee's termination of employment or reduction of hours.

For persons ineligible to receive Social Security disability benefits due to insufficient "quarters", the disability extension is available only if you submit to the COBRA Administrator in writing proof of total disability before the initial 18-month COBRA coverage period ends.

**You must also provide this notice to the COBRA Administrator within 18 months after the covered Employee's termination of employment or reduction in hours in order to be entitled to a disability extension. In providing this notice, you must use the Plan's form entitled "Notice of Disability Form" (you may obtain a copy of this form from the COBRA Administrator at no charge, or you can download the form at [www.discoverybenefits.com](http://www.discoverybenefits.com)), and you must follow the procedures specified in the box at the end of this notice entitled "Notice Procedures." If these procedures are not followed or if the notice is not provided in writing to the COBRA Administrator during the 60-day notice period and within 18 months after the Employee's termination of employment or reduction of hours, THERE WILL BE NO DISABILITY EXTENSION OF COBRA COVERAGE.**

#### ***Second qualifying event extension of COBRA coverage***

If your family experiences another qualifying event while receiving 18 months of COBRA coverage because of the covered Employee's termination of employment or reduction of hours (including COBRA coverage during a disability extension period as described above), the Spouse and Dependent Children receiving COBRA coverage can get up to 18 additional months of COBRA coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the COBRA Administrator. This extension may be available to the Spouse and any Dependent Children receiving COBRA coverage if the Employee or former Employee dies, or gets divorced, or if the Dependent Child stops being eligible under the Plan as a Dependent Child, but only if the event would have caused the Spouse or Dependent Child to lose coverage under the Plan had the first qualifying event not occurred. (This extension is not available under the Plan when a covered Employee becomes entitled to Medicare after his or her termination of employment or reduction of hours.)

This extension due to a second qualifying event is available only if you notify the COBRA Administrator in writing of the second qualifying event within 60 days after the later of:

- the date of the second qualifying event; and

- the date on which the qualified beneficiary would lose coverage under the terms of the Plan as a result of the second qualifying event (if it had occurred while the qualified beneficiary was still an Employee covered under the Plan).

**In providing this notice, you must use the COBRA Administrator’s form, entitled “Notice of Second Qualifying Event Form” (you may obtain a copy of this form from the COBRA Administrator at no charge, or you can download the form at [www.discoverybenefits.com](http://www.discoverybenefits.com)), and you must follow the procedures specified in the box at the end of this notice entitled “Notice Procedures.” If these procedures are not followed or if the notice is not provided in writing to the COBRA Administrator within the 60-day notice period, THERE WILL BE NO EXTENSION OF COBRA COVERAGE DUE TO A SECOND QUALIFYING EVENT.**

### **More Information About Individuals Who May Be Qualified Beneficiaries**

#### ***Children born to or placed for adoption with the covered Employee during COBRA coverage period***

A Child born to, adopted by, or placed for adoption with a covered Employee during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if the covered Employee is a qualified beneficiary, the covered Employee has elected COBRA coverage for himself or herself. The Child’s COBRA coverage begins on the Child’s date of birth, date of adoption, or date of placement for adoption if the Child is enrolled in the Plan through the HIPAA Special Enrollment process designated by OGB, or on the first day of the following Plan year if the Child is enrolled through Annual Enrollment. The COBRA coverage lasts for as long as COBRA coverage lasts for other family members of the Employee. To be enrolled in the Plan, the Child must satisfy the otherwise applicable Plan eligibility requirements (for example, regarding age).

#### **Alternate recipients under QMCSOs**

A Child of the covered Employee who is receiving benefits under the Plan pursuant to a Qualified Medical Child Support Order (QMCSO) received by the Office of Group Benefits during the covered Employee’s period of employment with the Participant Employer is entitled to the same rights to elect COBRA as an eligible Dependent Child of the covered Employee.

### **Health Insurance Marketplace**

There may be other coverage options for you and your family. Through the Affordable Care Act, You are able to buy coverage through the Health Insurance Marketplace. In the Marketplace, you could be eligible for a tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles, and Out-of-Pocket costs will be before you make a decision to enroll. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Marketplace. Additionally, you may qualify for a special enrollment opportunity with another group health plan for which you are eligible (such as a Spouse’s plan), even if the plan generally does not accept late enrollees, if you request enrollment within 30 days.

### **Keep Your Plan Informed of Address Changes**

**In order to protect your and your family’s rights, you must keep the Office of Group Benefits and the COBRA Administrator informed of any changes in your address and the addresses of your covered family members.** You should also keep a copy, for your records, of any notices you send to the Office of Group Benefits and/or the COBRA Administrator.

We **must** disclose your health information:

- To you or someone who has the legal right to act for you (your personal representative), if the information you seek is contained in a designated record set, and

For example, we may share your information with your doctors for their licensing or credentialing activities.

**Business Associates:** We hire individuals and companies to perform various functions on our behalf or to provide certain types of services for us. In order to help us, these business associates may receive, create, maintain, use, or disclose your health information. **Your Authorization:** You may give us written authorization to use your health information or to disclose it to anyone for any purpose. If you give us an authorization, you may revoke it in writing at any time. However, we will not be able to undo any action that was taken before that authorization was revoked. Unless you give us a written authorization, we will not use or disclose your health information for any purpose other than those described in this Notice. To the extent (if any) that we maintain or receive psychotherapy notes about you, most disclosures of these notes require your authorization. Also, to the extent (if any) that we use or disclose your information for our fundraising practices, we will provide you with the ability to opt out of future fundraising communications. In addition, most (but not all) uses and disclosures of health information for marketing purposes, and disclosures that constitute a sale of protected health information require your authorization.

**Family, Friends, and Others Involved in Your Care or Payment for Care:** Unless you object, we may disclose your health information to a family member, friend or any other person you involve in your health care or payment for your health care. We will disclose only the health information that is related to the person's involvement. We may use or disclose your name, location, and general condition to notify, or to assist an appropriate public or private agency to locate and notify, a person responsible for your health care in appropriate situations, such as medical emergency or during disaster relief efforts (for example, to Red Cross during a natural disaster).

Before we make such a disclosure, we will provide you with an opportunity to object. If you are not present or are incapacitated or it is an emergency or disaster relief situation, we will use our professional judgment to determine whether disclosing your health information is in your best interest under the circumstances.

**Your Employer:** We may disclose to your employer whether or not you are enrolled in a health plan that your employer sponsors. We may disclose summary health information to your employer to use to obtain premium bids for the health insurance coverage offered under the group health plan in which you participate or to decide whether to modify, amend or terminate that group health plan. Summary health information is information about claims history, claims expenses or types of claims experienced by the enrollees in your group health plan. Although this summary health information does not specifically identify any individual, it still may be possible to identify you or others through review of this summary health information.

We may disclose your health information and the health information of others enrolled in your group health plan to your employer to administer your group health plan. Before we may do that, your employer must meet certain requirements. This includes amending the plan document for your group health plan to establish the limited uses and disclosures it may make of your health information. Please see your group health plan document for a full explanation of the limitations placed on your employer for the use of this information and for any disclosures that may be made to the group health plan itself.

**Health-Related Products and Services:** Where permitted by law, we may use your health information to communicate with you about health-related products, benefits and services and payment for those products, benefits and services that we provide or include in our benefits plan, and about treatment alternatives that may be of interest to you. These communications may include information about the health care providers in our network, about replacement of or enhancements to your health plan, and about health-related products or services that are available only to our enrollees that add value to, although they are not part of, our benefits plan. For example, we may contact you about a Medicare Supplemental policy when you near age 65.

**Public Health and Benefit Activities:** Although this does not occur often, we may use and disclose your health information when required by law and when authorized by law for the following kinds of public interest activities:

## Individual Rights

The following are your rights with respect to your health information. If you would like to exercise any of the following rights, please submit your request in writing, sign your request, and mail it to the Blue Cross and Blue Shield of Louisiana Privacy Office at P.O. Box 84656, Baton Rouge, LA 70884-4656. Our contact information is provided at the end of this Notice.

**Access:** You have the right to examine and to receive a copy of your health information we maintain about you in a “designated record set,” with limited exceptions. This may include an electronic copy in certain circumstances if you make this request in writing.

Generally, a “designated record set” contains:

- claims and payment information;
- enrollment and billing information;
- other records used to make decisions about your health care benefits.

We may charge you reasonable, cost-based fees for a copy of your health information, for mailing the copy to you, and for preparing any summary or explanation of your health information you may request. Contact us using the information at the end of this Notice for information about our fees. You may withdraw your request if you do not wish to pay the fees.

In certain situations we may deny your request to inspect and obtain a copy of your health information. If we deny your request, we will notify you in writing and will inform you whether or not you have the right to have the denial reviewed.

**Disclosure Accounting:** You have the right to an accounting of certain disclosures that we make of your health information, excluding disclosures for treatment, payment, health care operations, as authorized by you, and for certain other activities.

We will provide you with information about each accountable disclosure that we made during the period for which you request the accounting, except we are not obligated to account for a disclosure that occurred more than six years before the date of your request. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to your additional requests. Contact us using the information at the end of this Notice for information about our fees.

**Amendment:** You have the right to request that we amend your health information that we maintain about you in your designated record set. We may deny your request for certain reasons. For example, we may deny your request if the information you want to amend was created by your doctor. If we deny your request, we will provide you a written explanation, and explain to you how you can disagree with the denial by filing a statement of disagreement with us. If we accept your request, we will make your amendment part of your designated record set, and use reasonable efforts to inform others of the amendment who we know may have relied on the unamended information to your detriment, as well as persons you tell us you want to receive the amendment.

**Restriction:** You have the right to request that we restrict our use or disclosure of your health information for treatment, payment or health care operations, or with family, friends or others you identify. We are not required to agree to your request. If we do agree, we will honor our agreement, except in a medical emergency or as required or authorized by law. Any agreement we may make to a request for restriction must be in writing and agreed to by our Privacy Office.

**Confidential Communication:** If you believe that a disclosure of all or part of your health information may endanger you if sent to your current mailing address, you have the right to request that we communicate with you in confidence about your health information by a different means or to a different location that you specify. You must make your request in writing, and your request must represent that the information could endanger you if it is not communicated in confidence as you request.

We will accommodate your request if it is reasonable. You must specify the alternative means of contact or location for confidential communication, and continue to permit us to collect premiums and pay claims under your health plan. Please note that other information that we send to the subscriber about health care benefits received may contain sufficient information to reveal that you obtained health care for which we paid, even though you requested that we communicate with you about that health care in confidence. If you have given someone else permission to receive health information about you, a request for confidential communications will cancel this permission unless you tell us otherwise.

**Electronic Notice:** If you receive this Notice on our website or by electronic mail (e-mail), you have the right to receive this Notice in written form. Please contact us using the information at the end of this Notice to obtain this Notice in written form.

**Potential Impact of State Privacy Laws:** The federal health care Privacy Regulations generally do not "preempt" (or take precedence over) state privacy or other applicable laws that provide individuals greater privacy protections. As a result, to the extent state law applies, the privacy laws of a particular state, or other federal laws, rather than the HIPAA Privacy Regulations, might impose a privacy standard under which we will be required to operate. For example, where such laws have been enacted, we will follow more stringent state privacy laws that relate to uses and disclosures of the protected health information concerning HIV or AIDS, mental health, substance abuse/chemical dependency, genetic testing, reproductive rights, or disclosure of health information of minors.

**Breach Notification:** In the event of a breach of your unsecured health information, we will provide you notification of such a breach as required by law or where we otherwise deem appropriate.

### Questions and Complaints

If you want more information about our privacy practices or have questions or concerns, please contact us using the information at the end of this Notice.

If you are concerned that we may have violated your privacy rights, or you disagree with a decision we made about access to your health information, in response to a request you made to amend, restrict the use or disclosure of, or communicate in confidence about your health information, you may complain to us using the contact information at the end of this Notice. You also may submit a written complaint to the Office for Civil Rights of the United States Department of Health and Human Services, Region VI, 1301 Young Street, Suite 1169, Dallas, TX 75202. You may contact the Office for Civil Rights' Hotline at 1-800-368-1019.

We support your right to the privacy of your health information. We will not retaliate in any way if you choose to file a complaint with us or with the U.S. Department of Health and Human Services.

**OFFICE OF GROUP BENEFITS**  
**NOTICE OF PRIVACY PRACTICES**

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

**INTRODUCTION**

The Office of Group Benefits (OGB)<sup>1</sup> is committed to safeguarding the privacy of our members' and their dependents' health information that is protected under federal and state laws. This information includes identifying data about you<sup>2</sup> that we have created or received about your past, present, or future health and/or medical condition(s), medical care provided to you, or information related to payment for medical services you have received.

This Notice tells you about the ways that we may collect, use, and disclose your protected health information and about your rights concerning your protected health information.

We are required by federal law<sup>3</sup> to maintain the privacy of protected health information, to advise you of any breach that may have compromised the privacy or security of your protected health information, and to provide you with this Notice about your rights and our legal duties and privacy practices with respect to your protected health information. We must follow the terms of this Notice while it is in effect.

**GENERAL WAYS WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION WITHOUT AN AUTHORIZATION**

Under federal law, health care providers and health plans may use and disclose your protected health information without your authorization for three general purposes: treatment, payment, and health care operations. As a health plan, we principally use and disclose your protected health information without your authorization for payment and health care operations.<sup>4</sup> The examples below illustrate the types of uses and disclosures we may make without your authorization for these purposes.

**Payment:** We use and disclose your protected health information in connection with payment for your covered health expenses under an OGB plan. For example, we may use or disclose your protected health information to process claims or to be reimbursed by another insurer that may be responsible for payment of your claims.

<sup>1</sup> Throughout this Notice, the Office of Group Benefits is referred to as "we" or "us".

<sup>2</sup> For simplification purposes, the terms "you" and "your" refer to both the OGB health plan member and his/her enrolled dependents. Except where stated otherwise, the rights specified in this Notice apply to both the member and his/her dependents.

<sup>3</sup> The Health Insurance Portability and Accountability Act of 1996 (HIPAA)

<sup>4</sup> However, Louisiana law prohibits us from disclosing results of genetic tests for any purpose without your authorization or a Court order.

We may also issue Explanations of Benefits (EOBs) to members so that they can monitor the payments made for

their own care and for the care of their dependents.

**Health Care Operations:** We use and disclose your protected health information to perform our plan activities, such as administration, quality and performance assessment, case management, care coordination, claims administration, customer service, billing, and collection. This would include disclosure of protected health information to our third-party administrators and other business associates who assist us with certain aspects of plan administration. In some cases, we may use or disclose information for purposes of underwriting or determining premiums (note that protected health information that consists of genetic information will never be used for underwriting purposes). We will obtain assurances from our business associates that they will appropriately safeguard your protected health information.

#### **OTHER USES AND DISCLOSURES WITHOUT AN AUTHORIZATION**

- **As Required by Law:** We must disclose protected health information when required to do so by law. For example, we must disclose information specified by the Secretary of Health and Human Services for determining our compliance with federal privacy regulations and to government benefits programs, such as Medicare and Medicaid, in order to review your eligibility and enrollment in these programs.
- **Public Health Activities:** We may disclose protected health information to public health agencies for reasons such as preventing or controlling disease, injury, or disability, or for tracking events such as births and deaths.
- **Victims of Abuse, Neglect or Domestic Violence:** We may disclose protected health information to government authorities about abuse, neglect, or domestic violence.
- **Health Oversight Activities:** We may disclose protected health information to government oversight agencies (e.g., state insurance departments) for activities authorized by law.
- **Judicial and Administrative Proceedings:** We may disclose protected health information in response to a court or administrative order. We may also disclose protected health information in certain cases in response to a subpoena, discovery request, or other lawful purpose as long as HIPAA's administrative requirements are met.
- **Law Enforcement:** We may disclose protected health information under limited circumstances to a law enforcement official in response to a warrant or similar process, to identify or locate a suspect, or to provide information about the victim of a crime.
- **Coroners, Funeral Directors, Organ Donations:** We may release protected health information to coroners or funeral directors as necessary to allow them to carry out their duties. We may also disclose protected health information in connection with organ or tissue donations.
- **To Avert a Serious Threat to Health or Safety:** We may disclose protected health information about you, with some limitations, when necessary to prevent a serious threat to your health and safety or the health and safety of another person or the public.

- **Special Government Functions:** We may disclose protected health information as required by military authorities or to authorized federal officials for national security and intelligence activities.
- **Workers' Compensation Programs:** We may disclose protected health information to the extent necessary to comply with state law for workers' compensation programs.
- **To Your Personal Representatives:** With certain exceptions, if a person has legal authority to make health care decisions for you, we will consider that person to be your personal representative and treat him or her as you for purposes of determining your privacy rights. This would include disclosing your protected health information to your personal representative upon his or her request.
- **To Persons Involved with Payment for Your Care:** We may disclose to a family member, other relative, or your close personal friend (or any other person identified by you), personal health information directly relevant to that person's involvement with payment related to your health care. With the exception of EOBs provided to members, we can only do so if you are present and do not object or, if you are not present, when we use our professional judgment to determine that the disclosure is in your interest.
- **For Plan-Related Communications:** We may use and disclose our knowledge about you to provide to your information about benefits available to you under your current coverage and about our other health care plans and benefits that may be of interest to you.
- **For Research:** We may use and disclose your protected health information for research purposes without an authorization, if specific requirements are met.

### Important Note about Balance Billing

---

#### Why are we sending this notice?

Blue Cross and Blue Shield of Louisiana is required by law to send the notice below to all members when they enroll and every year after that they are a member. **Please carefully read this notice.**

**BALANCE BILLING DISCLOSURE NOTICE:**

HEALTH CARE SERVICES MAY BE PROVIDED TO YOU AT A NETWORK HEALTH CARE FACILITY BY FACILITY-BASED PHYSICIANS WHO ARE NOT IN YOUR HEALTH PLAN. YOU MAY BE RESPONSIBLE FOR PAYMENT OF ALL OR PART OF THE FEES FOR THOSE OUT-OF-NETWORK SERVICES, IN ADDITION TO APPLICABLE AMOUNTS DUE FOR CO-PAYMENTS, COINSURANCE, DEDUCTIBLES, AND NON-COVERED SERVICES.

SPECIFIC INFORMATION ABOUT IN-NETWORK AND OUT-OF NETWORK FACILITY-BASED PHYSICIANS CAN BE FOUND AT [WWW.BCBSLA.COM](http://WWW.BCBSLA.COM) OR BY CALLING THE CUSTOMER SERVICE TELEPHONE NUMBER OF YOUR HEALTH PLAN 1-800-392-4089.

#### Confused?

It's okay! Healthcare can be complicated. We try to make it as simple as we can, but we know that sometimes simplicity isn't possible. This is one of those cases. We'll try to answer some of your questions below.

#### What does this mean for you?

You probably know that to get the most out of your insurance, you should see a doctor or go to a hospital that is in your network. This means that we have contracted with those doctors, and they've agreed to accept certain prices for the care they give. They have also agreed to file claims for you and accept our payment for those claims, together with the cost sharing amounts (deductible, coinsurance or copayment) that you pay under your plan, as full payment for those services. They have agreed not to collect any additional amounts from you.

#### What is balance billing?

Doctors or hospitals that are out of your network do not have a contract with us. So they have not agreed to accept our payment plus your cost share (deductible, coinsurance or copayment) as full payment of those services. They will take those payments, but still may bill you for their full charges as well. This is called balance billing.

#### What is a hospital- or facility-based physician?

Hospital-based doctors are **anesthesiologists, emergency room doctors, neonatologists, pathologists, radiologists and similar types of doctors**. Even though a hospital is in your network, doctors like these who care for you at the hospital may not be. If they are not in your network, they can balance bill you. You can find out what doctors are in network at hospitals near you at [www.bcbsla.com/hbp](http://www.bcbsla.com/hbp); choose the list for your area.

### **What about emergencies?**

In the case of a true emergency, get help at the nearest emergency room regardless of network. Check your plan booklet for what an “emergency medical condition” means. If it’s not a true emergency, your doctor or an urgent care center may be able to help you.

### **What can you do?**

If you expect to go to the hospital for care, please take a moment to look at the list of hospital-based doctors. You can find this list at [www.bcbsla.com/hbp](http://www.bcbsla.com/hbp) or call us. And, when a hospital-based doctor group leaves your network, we will send you a letter and update this list.

- If the hospital uses doctors who are not in your network, you can ask to have your care moved to a hospital that does have network doctors. We know this isn’t ideal, but it’s your best bet to avoid balance billing later.
- We know you can’t always plan when you go to the hospital or have time to check this list. If it’s a true emergency, don’t worry about your network.

### **What happens if you see a hospital-based doctor out of network?**

We know you don’t always have a choice in hospital doctors. If you do wind up seeing a doctor out of your network, we try to make the process as simple for you as we can. But it’s important to remember, there is always a risk of balance billing when you see any doctor who does not have an agreement with us.

- We will pay the doctor as much as your plan allows and at least what the law requires for covered care.
- You will still have to pay your cost share, if you have one.
- The doctor could balance bill you for more. If you do get a bill, you can ask the doctor to take what we paid as payment in full, but the doctor does not have to do so.
- If you go to other providers out of your network, you may have to file your own claim and we will pay you based on your plan. Then, you will have pay for your care.

### **Finding what providers are in network:**

You can search for all providers in your network by going to [www.bcbsla.com/ogb](http://www.bcbsla.com/ogb) and click on Louisiana Provider Directory or National Provider Directory.

### **What about emergencies?**

In the case of a true emergency, get help at the nearest emergency room regardless of network. Check your plan booklet for what an “emergency medical condition” means. If it’s not a true emergency, your doctor or an urgent care center may be able to help you.
